**Uncle Dynamite** P. G. Wodehouse,2013-07-01 P G Wodehouse is still the funniest writer ever to have put words on paper Hugh Laurie Uncle Fred s nephew Pongo has just smashed the prized statue of his lady love s father His troubles multiply as the replacement bust is revealed to be a smuggling vessel filled with jewels This bust busting gut buster has Uncle Fred and Wodehouse himself at the very height of their work Uncle Dynamite P. G. Wodehouse,2001-09 **Uncle dynamite, by p.g. wodehouse** P. G. Wodehouse, **Uncle Dynamite** P. G. WODEHOUSE,1995 **P.G. Wodehouse and Hollywood** Brian Taves,2015-01-24 Beloved British humorist P G Wodehouse produced a wealth of literature in his lengthy career contributing novels short stories plays lyrics and essays to the canon of comic writing His work in film and television included two stints as a screenwriter in Hollywood in the 1930s and his stories have been the basis for more than 150 film and television productions He also wrote 20 stories and essays about Hollywood satirizing the city and its entertainment magnates This book studies P G Wodehouse s extensive but often overlooked relationship with Tinsel Town The book is arranged chronologically covering Wodehouse s Hollywood career from his early efforts in silent film to his later contributions in television to his work adapted posthumously for the screen Radio is covered as well including a discussion of his internment in occupied France and his brief appearances on German radio Reflecting Wodehouse s international appeal the book covers Wodehouse films and television in England Germany Sweden and India Also included are a comprehensive detailed list of Wodehouse s stories and articles about Hollywood and a complete filmography of motion picture and television works to which he contributed or which were based on his stories **The Novel Life of PG Wodehouse** Roderick Easdale,2014-06-18 Was PG Wodehouse really a traitor a naive simpleton dominated by his wife and out of touch with the world around him This book challenges many of the accepted wisdoms about PG Wodehouse and his work and skilfully entwines details of Wodehouse s life with an analysis of his work to show that contrary to popular belief many of the scenarios characters and issues he wrote about came from his own sometimes bitter personal experience It shows for instance how Bertie Wooster is a much misunderstood figure in literature and shared many of the characteristics and life story of PG Wodehouse himself Easdale also gives fresh insight into PG Wodehouse s alleged treachery during World War II and his motives for making five radio broadcasts from Germany which were to cast a shadow over the rest of his life Easdale often finds an original angle with which to shatter stale accepted perception this book is compelling Country Life This fascinating examination offers a refreshing and accessible study of Wodehouse s work Press Association *A Brief Guide to Jeeves and Wooster* Nigel Cawthorne,2013-03-21 A comprehensive guide to P G Wodehouse s two best loved comic characters Bertram Wilberforce Wooster and his valet Reggie Jeeves Bertie s friends and relatives and their world of sunshine country houses and champagne Although the stories may seem quintessentially English they were for the most part written in the United States by a man who spent more than half his adult life there eventually becoming a citizen in 1955 The first

stories involving the two characters are even set in New York while those that aren't are set in an England that has never existed contrived to appeal to an American audience Cawthorne offers fascinating insights into Wodehouse's world his life on Long Island and elsewhere the wonderful short stories and novels and the many adaptations for stage and screen
