**I Wasn't Lucky, I Was Blessed** DeShannon Butler, 2020-10-19 Are you lucky or are you blessed Is there a difference between being lucky and being blessed Depending on the circumstances one would suggest the two are very subjective I believe when you are blessed you are giving a divined gift from God You cannot not be lucky to receive such miraculous gifts This notion of being blessed has been a life lesson for me As a child I always was taught to count my blessing and to always look to progress Against all odds I felt a calling on my life My life experiences have shaped me to be the person I am today I realized how sports served as a platform for my future success It is quintessential to say I learned early in life without being academically eligible I could not participate in sports No one was going to cut me a break because of my learning disability More and more this motivated me to try my best in school Fasten your seat belt You are about to embark on a journey of bravery of struggles of trials of defeat and of triumph At the conclusion of this book reflect on your own life and determine are you lucky or blessed
