**Rage and the Republic** Jonathan Turley, 2026-02-03 On the 250th anniversary of the Declaration of Independence law professor legal analyst and bestselling author of *The Indispensable Right* Jonathan Turley explores how the unique origins of American democracy set it apart from other revolutions whether it can survive and thrive in the 21st century and how the unfinished story of the revolution will play out in a rapidly changing world This is a book about revolutions Most countries are the progeny of revolution At the birth of this nation the Founding Fathers faced the quintessential question of self governance how do you keep democracy from devolving into violent anarchy or brutal despotism Drawing on little known facts from the founding Jonathan Turley reveals how the United States escaped the cycles
