Virgin Time:

Virgin Time Patricia Hampl, 2005-04-20 A gifted writer's inquiry into one of the most profound yet least discussed issues of contemporary American life: the individual's search for faith. It tells of Hampl's quest to escape the indelible brand of a Catholic upbringing following her to the old world of Catholicism in Spain and France where she meets other pilgrims back home again and finally to a monastery in northern California where she is able to settle into the real goal of her search: the silence of prayer.
