Westminster Blues:

Westminster's World Donald Searing, 1994 From Policy Advocates to Whips to Ministers the many roles within the British Parliament are shaped not only by institutional rules but also by the individuals who fill them yet few observers have fully appreciated this vital aspect of governing in one of the world's oldest representative systems Applying a new motivational role theory to materials from extensive first hand interviews conducted during the eventful 1970s Donald Searing deepens our understanding of how Members of Parliament understand their goals their careers and their impact on domestic and global issues He explores how Westminster's world both controls and is created by individuals illuminating the interplay of institutional constraints and individual choice in shaping roles within the political arena No other book tells us so much about political life at Westminster Searing has interviewed 521 Members of Parliament including Conservative Ministers Margaret Thatcher Peter Walker and James Prior Labour Ministers Harold Wilson Barbara Castle and Denis Healey rising stars Michael Heseltine Norman Tebbit David Owen and Roy Hattersley habitual outsiders like Michael Foot who eventually joined the inner circle and former insiders like Enoch Powell who were shut out Searing also gives voice to the vast number of Westminster's backbenchers who play a key part in shaping political roles in Parliament but are less likely to be heard in the media trade unionists knights of the shires owners of small businesses and others In this segment of his study women senior backbenchers and newcomers are well represented Searing adroitly blends quantitative with qualitative analysis and integrates social and economic theories about political behavior He addresses concerns about power duty ambition and representation and skillfully joins these concerns with his critical discoveries about the desires beliefs and behaviors associated with roles in Parliament Westminster's World offers political scientists historians anthropologists political commentators and the public rich new material about the House of Commons as well as a convincing model for understanding the structure and dynamics of political roles *Gardening for Beginners* Ernest Thomas Cook, 1901

British Political Parties Today Robert Garner, Richard Kelly, 1998-06-15 This important new book one of the first to reflect the 1997 election result and its effects reassesses the major political parties in Britain their ideals organizations finances electoral prospects and the effect they have upon British society The authors begin by clarifying the functions of political parties before examining their policies and the extent to which there is a consensus in modern British politics The shifting nature of Britain's party system is then dissected before a much closer look is taken at the structure leadership and membership of Britain's three major parties A separate chapter also inspects the parties of Scotland Wales and Northern Ireland offering a fresh perspective on their priorities and internal organization Although the book has a strong historical content it also takes a sharp look at British politics under the new Labor government while considering the state of the Tory party under William Hague The likely effect of a more intrusive European Union is also embraced *Gardening World Illustrated*, 1904 **The Garden**, 1904 *Executive Documents* Ohio, 1878 *Dogdom*, 1919 *Music in the Apocalyptic*
