Froese, 1996 When the king asks him to wash a gray elephant white a clever washerman outwits his jealous neighbor and proves the value of hard work and intelligence **Asanga: You Are Never Not Free** Sankarasubramanyan Ramamoorthy (Sankar), 2025-10-16 Asanga You Are Never Not Free is a mysterious and metaphorical story exploring the deepest personal and philosophical questions of freedom and identity Through reflective storytelling the author delves into life's entanglements from childhood attachments to possessions to relationships beliefs and the self itself Engaging with themes of karma free will and the play of Maya the book challenges how we mistake deceptions for reality and remain bound even when no true bonds exist At its heart Asanga reveals that freedom is not something to be attained but recognized With Maya as a constant companion this narrative invites readers to confront their own illusions and rediscover the liberating truth you were never bound and you are never not free **Masters of Mahamudra** Keith Dowman, 2010-03-31 In Tibetan Buddhism Mahamudra represents a perfected level of meditative realization it is the inseparable union of wisdom and compassion of emptiness and skillful means These eighty four masters some historical some archetypal accomplished this practice in India where they lived between the eighth and twelfth centuries Leading unconventional lives the siddhas include some of the greatest Buddhist teachers Tilopa Naropa and Marpa among them Through many years of study Keith Dowman has collected and translated their songs of realization and the legends about them In consultation with contemporary teachers he gives a commentary on each of the Great Adepts and culls from available resources what we can know of their history Dowman's extensive Introduction traces the development of tantra and discusses the key concepts of the Mahamudra In a lively and illuminating style he unfolds the deeper understandings of mind that the texts encode His treatment of the many parallels to contemporary psychology and experience makes a valuable contribution to our understanding of human nature **An Introduction to Buddhism** Peter Harvey, 2013 Extensively revised and updated this book provides a comprehensive overview of the development of Buddhism in Asia and the West Bandilanka's Forgotten Lives Kamakshi Pappu Murti, Bandilanka a fictional village in Southern India represents many such ones across the Indian subcontinent still caught up in the age old customs and superstitions that are destructive at times The characters in this collection have each faced some form of injustice or loss A cleaning woman's tale and Vegetable vendor Sundari exemplify sex discrimination in the village Widowhood across generations describes the fate of widows from all castes classes and age groups The matter of trans lives and Tradition's stranglehold show how despite a 2014 law formally recognizing the existence of a third gender Hijras continue to face hate and persecution as does the entire LGBTQ community Bigotry raises its ugly head in Night soil removers Kaavanna and Kondamma but is condemned in an interesting reversal of fate A washerman's dream is the poignant

story of a washerman who with his dying breath thanks a loving family for giving him the strength to stand up to a lifetime of rejection because of his perceived low caste The stories highlight the inherent worth and dignity of the lives of these disenfranchised groups thus challenging socially constructed divides and inequalities of caste religion gender sexual orientation and age A Betrothal Lanford Wilson,1986 THE STORY The setting is a large tent where two flower show exhibitors have sought refuge from a sudden rainfall She Ms Joslyn is visibly annoyed at the curt treatment that the judges have given her Little Soldier and makes no bones about it He Mr Wasserman is equally dismayed by the fate of his Little Tanya but is too soft spoken and retiring to vent his anger They both agree that if the judges are getting soaked it serves them right but Mr Wasserman s attempts at friendly conversation are confounded by Ms Joslyn s close mouthed surliness But gradually it develops that a they happen to admire each other s creations unlike the judges and b they are near neighbors all of which leads in time to the realization that if it proved possible to combine the color of his Little Tanya with the texture of her Little Soldier a new strain of flower would result which even the most obtuse of judges would be dazzled by Quivering with anticipation they prepare to leave as the sun comes out and the prospect of future glory sends them resolutely back to their test beds and potting sheds **A to Zoo** Carolyn W.
