Wounded Wolf:

The Wounded Wolf Jean Craighead George,1978-01-01 As hungry animals close in on an injured wolf hoping to feed on him after death help arrives to change the odds Cries of a Wounded Wolf Anthony J. Raines,2015-10-15 I hope that those who read this may find a way to understand that insanity is nothing more than a choice There are many times in life that we are hit by the painfully unexpected it is up to us to choose how we react I blamed another for what I went through this was wrong I may have been hurt by the actions of another but I was the one who chose to lay down with my demons We are never given more than we can handle We just have to realize that we are as strong as we want to be **White Fox** Gary Dallmann,2013-09-12 This is a story about a warrior of the People the Dakota nation After extensive research Gary Dallmann chose to write a story that recounts the exploits of White Fox a warrior who was elevated to chief of the Dakota nation at the young age of twenty eight As chief he faced many challenges This kind intelligent man proved to be the right choice since he had the welfare of his people paramount in his mind This is also a gripping tale of misplaced revenge against White Fox by Broken Face a fierce warrior of the Tree People His obsession ended the lives of many warriors Worry over a demented enemy would have been sufficient to age a seasoned chief but to make things worse White Foxs spirit helper sent a message warning him of a dangerous and seemingly demonic pack of wolves invading the Dakota hunting grounds The wolves were killing indiscriminately and their evil sport was not restricted to animals **Something in Madness** Ed Protzel,2022-10-25 The Civil War comes to an end as the South and the hopes of freedpeople buckle under Reconstruction in this powerful saga of ongoing strife Midwest Book Review A 2021 American Fiction Awards Finalist With the Civil War finally over Durksen Hurst sets off for Turkle Mississippi hoping to reclaim his deserted plantation DarkHorse With his fianc e Antoinette the two surviving freedmen who fought beside him and a Rebel orphan at his side he slowly makes his way through a decimated South What they find in Turkle isn t a warm welcome The chains of slavery have been replaced by the chains of law Black Codes are being strictly enforced Any former slave is considered a vagrant unless they are under an annual labor contract And Turkle has fallen under the harsh rule of plantation owner Colonel Rutherford who wields gun clubs as weapons to terrorize Black folks As Durk and Antoinette struggle to protect themselves and their loved ones Devereau French makes a daring escape from prison after two years of incarceration by the Union army Still driven by the ghost of a strict unloving mother French sets out for Turkle an all consuming lust for vengeance against Durk and Antoinette far from slaked Surviving the war was hard enough now Durk only hopes he can survive the peace This is a character driven novel and their interactions are exceptional In this entertaining read the reader can feel the pain and share the grief of the characters Tension builds until the final page Historical Novel Society The Independent ,1909 **Outing and the Wheelman** ,1913 **Publications of the Modern Language Association of America** ,1891 Lives of Game Animals Ernest Thompson Seton,1925 **Historical Sketch of the Town of Troy, New Hampshire** Melvin Ticknor Stone,1897 *The*

Lost Hunters Joseph Alexander Altsheler, 1920 The *Lost Hunters* is the second volume of the Great West Series of which *The Great Sioux Trail* was the first In this story young Will Clarke who has long been a captive among the Sioux and who has risen to high favor has become Sioux himself not only in manners and customs but in thought The world is clothed for him in a new atmosphere and he believes with the Indians that good and evil spirits fill air earth and water in truth all things Hence his eye and mind in this story are the eye and mind of the Sioux It is well known that bear deer and wolf grow much larger in the great valleys of far Northwestern Americans than anywhere else in the world and it may be possible that still more gigantic specimens will yet be found in remote regions The struggle of primeval man with wild beasts carried on for ages is here reproduced in the advent of the Sioux warriors among them armed only with bow and arrow The names applied to animals and inanimate objects in this book are note the coinage of the author but are those used by the Sioux Foreword
