

Trusting in God

* in difficult times
to trust is to believe in the reliability,
truth, ability, or strength of some-
thing.

Do you believe
God is who He
Says He is?

Your feelings &
circumstances are
important, but they
are not reliable
enough to base your
life on.

TRUST

is more than feelings.

↓
"a choice to have faith
in what God says, even
when your feelings or
circumstances would
have you believe some-
thing different."

Trusting God is living a
life of belief in and
obedience to God ^{even in} difficulty.

How to Trust God.

Share your emotions
& feelings with God
through prayer. He
is not disappointed
or frustrated with
your struggles.

- 1.) See & truth in scripture
- 2.) Confess unbelief
- 3.) share concerns w/
your community
- 4.) Remember God & spend
time with Him
- 5.) Look for things to be
grateful for.
- 6.) walk in the Holy Spirit
- 7.) wait on the Lord.

Scripture!

1 Peter 5:7, Psalm 56:8
Phi 1:4, 1 Thess 5:16-18

Di Paolo,2025-07-09 Searching for myself during my life has been a series of great adventures which are forever imprinted on the walls of the canyons of my memory I did have some very bad experiences that brought me to the very threshold of death several times For some cosmic reason I escaped death on four occasions during my life and I recuperated my strength and my craving for adventure after each near death experience I guess that those four near death experiences were meant to remind me that I am human and vulnerable and that I should never take my life for granted Even though I did lose some physical strength on each occasion my body and mind grew stronger and stronger and now that I am in the winter of my life I m alive and I thank each day that is given to me as my mind gets closer and closer to finding that elusive me in this only life as me As I now understand the importance and sanctity of life and my love for wonderful people beautiful animals and plants I realize that the meaning of my very existence is to protect them while we live in this beautiful and wonderful planet Finally it took a lifetime for me to find God and I have accepted that after life on earth I will be once again part of the Cosmos which it will always belong to the Creator *Personal Manuscripts: Copying, Drafting, Taking Notes* David Durand-Guédy,Jürgen Paul,2023-04-27 Some manuscripts have been produced for the personal use of their scribe only whereas a number of them are valued as autographs most have been ephemeral and were discarded Personal manuscripts were not written for a patron commissioner or client They are personal copies anthologies florilegia personal notes excerpts drafts and notebooks as well as family books accountancy notebooks and many others these forms often being mixed with one another This volume introduces a number of such manuscripts in a comparative perspective from

Japan to Europe through the Middle East with a focus on the Near and Middle East The main concern is the possibility of identifying typical features of such manuscripts in terms of materials visual organization and content In attempting this both the conditions of production and traces of the manuscripts use are taken into consideration with particular attention to their material aspects
