Sri Radha Ramakanta Rath,1999 The Theme Of This Book A Modern Classic Is The Quest For Identity The Radha Krishna Legend Serving As A Metaphor

Sriradha Ramakanta Rath,2015-09-02 **The Reincarnation of Radha** Mae Gosaynie, She is referred to as the mysterious Radha Some people do not believe she ever existed Others believe she was an adulteress The truth is that Radha was a soul that lacked self love However her love for Sri Krishna was boundless and unconditional In this contemporary 21st century story about Radha s reincarnation you will learn how her consciousness contrived a plan to give Sri Krishna the Shakti he needed from her while simultaneously breaking her heart She even chose for him to never speak to her until she had become enlightened herself She thought nothing of her own self preservation or the great suffering she would inevitably endure The questions that remain to be answered are Will Radha be able to heal from such a traumatic experience Will she be able to forgive Sri Krishna for breaking her heart And finally will she eventually be able to merge with Krishna as they had originally planned Read Radha s story to find the answers disclosed within Written through the framework of choosing the journey of our lives on the path to enlightenment the author forces us to consider what we have chosen to endure and why Beautifully written through the eyes of a reincarnation story and the suffering of the soul on its way to salvation and becoming a goddess This precious story of spiritual mates on their evolutionary journey reminds us of our mortality and declares that our life journey is a special and personal experience meant for spiritual growth Inspired by traditional beliefs we rediscover or uncover for the first time that we choose our suffering which ultimately helps us advance as humans and have purpose during our cycles of life on Earth Kat Lahr Writer Researcher Educator Southern New Hampshire University

Finding Radha Namita Gokhale,Malashri Lal,2018-12-10 Who was Radha and why has she captured the imagination of so many writers across centuries No other goddess combines the elements of bhakti and shringara quite as exquisitely as the divine milkmaid She spans a vivid rainbow of imagery from the playfulness of the Ras Lila to the soulfulness of her undying love from the mystic allure of her depictions in poetry art and sculpture to her enduring legacy in Vrindavan In a way that sets her apart from other female consorts Radha is idealized and dreamed of in a way that is almost more elemental than mythical Namita Gokhale and Malashri Lal who brought us In Search of Sita Revisiting Mythology now present an anthology on the mysterious Radha the epitome of love who defies all conventional codes yet transcends social prohibitions through the power of the spiritual and the sensual the sacred and the erotic Finding Radha is the first of its kind a collection of poetry prose and translation that enter the historical as well as the artistic dimensions of the eternal romance of Radha and Krishna

Seeking internal harmony and peace is natural to all humans and Yoga is the ageless wisdom that Bh rat has gifted the world for achieving this goal The Yoga Manual stays on this objective of achieving harmony while aligning Yoga with contemporary living and lifestyles The book can be split broadly into three sections 1 Concepts that underpin Yoga such as karma dharma gu a m y etc 2 Materiality and the principles on which Yoga is founded 3 Various types of Yoga and more importantly the preparatory stages of Yoga because these development aspects can be used in daily living also The Yoga Manual is written in a DIY do it yourself format helping you change in a non prescriptive manner Additionally the book is designed to be your best friend and act like a sounding board as you grapple with change and like a good friend it will keep your secrets struggles and failures The dharma cakra encapsulates the book The objective of existence is to be at peace with ourselves and our environment and this is possible only when the three guna attributes are balanced with each other When we are able to achieve this the wheel of change revolves harmoniously resulting in a deep seated anchor of peace within ourselves
