

Guidelines for Staging Events within the Greater Knysna Municipality District

The following is the guidelines and requirements to stage an event in the Knysna Municipality which must be adhered to in the interest of public safety during the full duration of an event.

Applications for Stage and Events

Any application to stage an event must be submitted to the Municipal Manager of the relevant local authority by the Organizer on an Application Form and adhere to the Events Application requirements.

Please consult the relevant documents and note the various minimum conditions and other requirements.

On receipt of an application the Municipal Manager or designated person will inform all possible rule players. The nature of certain events may determine that applications should be submitted earlier, in those cases the organizer should practice due diligence and notify the Municipal Manager as early as possible.

Permits and/or Gatherings

Note: The Events application does not facilitate approvals for Permits and/or Gatherings.

Should permission be required to hold a procession and/or gathering an application must be submitted to the Municipal Manager in terms of Section 2 – Procession or Gatherings of the Regulation of Gatherings Act (Act 203 of 1995).

Events Exhibitors

Please note the Events Application Form (page 6 of 6) and Requirements document must be consulted.

Erection of any type of structure (Marshall)

In terms of Section 4 of the National Building Regulations Act (Act 103 of 1977), it is an offence for anyone to erect any type of structure without the prior permission of the local authority, and therefore approval must be obtained for the erection of temporary structures (e.g. marquees, stages, etc.) and a floor plan/outline must be submitted with such application.
