Staging England in the Elizabethan History Play Ralf Hertel, 2024-10-14 Applying current political theory on nationhood and methods established by recent performance studies this study sheds new light on the role the public theatre played in the rise of English national identity around 1600 It situates selected history plays in the context of non fictional texts historiographies chorographies and political treatises

[Representing the Rural on the English Stage](#) Gemma Edwards, 2023-06-05 This book explores how the English rural has been represented in contemporary theatre and performance Exploring a range of plays forms and contexts of

theatre production *Representing the Rural* celebrates the lively engagement with rurality on English stages since 2000 constituting the first full study of theatrical representations of rural life Interdisciplinary in its approach this book draws on political philosophy and cultural geography in its definitions of rurality and Englishness and works with key theoretical concepts such as nostalgia and ethnonationalism Covering a range of perspectives from the country garden in Mike Bartlett's *Albion* to agricultural labour in Nell Leyshon's *The Farm* the enclosure acts in D C Moore's *Common* to Black rural history in Testament's *Black Men Walking* the book shows how theatre and performance can open up different ways of reading rural geographies histories and lives While *Representing the Rural* is aimed at students and researchers of theatre and performance its interdisciplinary scope means that it has wider appeal to other disciplines in the arts and humanities including geography politics and history

Staging Beckett in Great Britain David Tucker, Trish McTighe, 2016-06-30
Beckett's relationship with British theatre is complex and underexplored yet his impact has been immense Uniquely placing performance history at the centre of its analysis this volume examines Samuel Beckett's drama as it has been staged in Great Britain bringing to light a wide range of untold histories and in turn illuminating six decades of drama in Britain Ranging from studies of the first English tour of *Waiting for Godot* in 1955 to Talawa's 2012 all black co production of the same play *Staging Samuel Beckett in Great Britain* excavates a host of archival resources in order to historicize how Beckett's drama has interacted with specific theatres directors and theatre cultures in the UK It traces production histories of plays such as Krapp's *Last Tape* presents Beckett's working relationships with the Royal Court Riverside and West Yorkshire Playhouse as well as with directors such as Peter Hall looks at the history of Beckett's drama in Scotland and how the plays have been staged in London's West End Production analyses are mapped onto political economic and cultural contexts of Great Britain so that Beckett's drama resonates in new ways through theatre practice against the complex contexts of Great Britain's regions With contributions from experts in the fields of both Beckett studies and UK drama including S E Gontarski David Pattie Mark Taylor Batty and Sos Eltis the volume offers an exceptional and unique understanding of Beckett's reception on the UK stage and the impact of his drama within UK theatre practices Together with its sister volume *Staging Samuel Beckett in Ireland and Northern Ireland* it will prove a terrific resource for students scholars and theatre practitioners
