Stakeholding And New Labour:

Stakeholding and New labour R. Prabhakar,2003-05-07 In Stakeholding and New Labour Rajiv Prabhakar examines two core claims Firstly that stakeholding furnishes the centre left with a set of Third Way principles of public policy that differ from those previously deployed by the Labour and Conservative parties Secondly Prabhakar contends that while explicit references to stakeholding have been scaled down by New Labour the concept remains important for understanding the ideology and the policies of New Labour in government

Stakeholding and the New International Order Stella Maile,Derek Braddon,2024-11-01 Title first published in 2003 This invaluable book provides the first definitive critical introduction to the concept of stakeholding and its implications for policy and practice of key players in the new global order Braddon and Maile take an interdisciplinary approach with particular emphasis upon the political economy of stakeholding which has become the major managerial and political motif of the 1990s

The Third Way and beyond Sarah Hale,Will Leggett,Luke Martell,2018-07-30 This collections brings together expert contributions to dissect the key political concept of the Third Way in theory and practice assessing its development and legacy and suggesting criticisms and alternatives An electronic edition of this book is freely available under a Creative Commons CC BY NC ND licence
