**Christian G. Meyer**

## **Stalin Years:**

The Stalin Years Evan Mawdsley, 1998 There should no longer be any doubt drones are here to stay In civil society they are used for rescue surveillance transport and leisure And on the battlefield their promises of remote protection and surgical precision have radically changed the way wars are fought But what impact are drones having on our identity and how are they affecting the communities around us This book addresses these questions by investigating the representation of civilian and military drones in visual arts literature and architecture What emerges the contributors argue is a compelling new aesthetic drone imaginary a prism of cultural and critical knowledge through which the complex interplay between drone technology and human communities is explored and from which its historical cultural and political dimensions can be assessed The contributors offer diverse approaches to this interdisciplinary field of aesthetic drone imaginaries With essays on the aesthetic configurations of drone swarming historical perspectives on early unmanned aviation as well as current debates on how drone technology alters the human body and creates new political imaginaries this book provides new insights to the rapidly evolving field of drone studies Working across art history literature photography feminism postcolonialism and cultural studies Drone imaginaries offers a unique insight into how drones are changing our societies

**The Stalin Years** Evan Mawdsley, 2003-09-06 Looking at the entire Stalin era this book contains chapters on ideology politics economic development social change nationalities culture and external relations and the Great Terror An updated bibliography including a wealth of recent English language work on the rule of Stalin is included Stalin's Wars Geoffrey Roberts, 2006-01-01 This breakthrough book provides a detailed reconstruction of Stalin's leadership from the outbreak of the Second World War in 1939 to his death in 1953 Making use of a wealth of new material from Russian archives Geoffrey Roberts challenges a long list of standard perceptions of Stalin his qualities as a leader his relationships with his own generals and with other great world leaders his foreign policy and his role in instigating the Cold War While frankly exploring the full extent of Stalin's brutalities and their impact on the Soviet people Roberts also uncovers evidence leading to the stunning conclusion that Stalin was both the greatest military leader of the twentieth century and a remarkable politician who sought to avoid the Cold War and establish a long term detente with the capitalist world By means of an integrated military political and diplomatic narrative the author draws a sustained and compelling personal portrait of the Soviet leader The resulting picture is fascinating and contradictory and it will inevitably change the way we understand Stalin and his place in history Roberts depicts a despot who helped save the world for democracy a personal charmer who disciplined mercilessly a utopian ideologue who could be a practical realist and a warlord who undertook the role of architect of post war peace The Cold War and Soviet Insecurity Vojtech Mastny, 1998-10-08 In The Cold War and Soviet Insecurity the long awaited sequel to his acclaimed work Russia's Road to the Cold War Mastny offers a masterful history of the birth of the Cold War drawing on extensive research in newly opened Soviet archives Russia's Road to the Cold War provided the definitive

portrait of Stalin's foreign policy during World War II Now in *The Cold War and Soviet Insecurity* Mastny provides an equally superb account of Stalin's foreign policy during his last years Combining important new research with the fascinating insight of one of the leading authorities on Soviet affairs this authoritative volume illuminates a crucial period in recent world history

**1937** Vadim Zakharovich Rogovin, 1998 The first major study by a Russian Marxist Historian of the Stalinist purges which are often collectively referred to by the year they reached their greatest intensity 1937 Rogovin shows that the purges were aimed at the physical annihilation of the growing socialist opposition to Stalin's bureaucratic regime Focused on Leon Trotsky and his thousands of supporters the purges were a blow against the October Revolution its leaders and its heritage

*Seven Years in Soviet Russia* Paul Scheffer, 1931      **Hitler and Stalin** Alan Bullock, 1998 Hitler and Stalin never met This book interweaves their lives chronologically chapter by chapter often paragraph by paragraph Bullock has added revisions to take account of the revelations from the newly opened Kremlin archive      **The Soviet Economy Since Stalin** Harry Schwartz, 1965      **Stalin's Guerrillas** Kenneth Slepyan, 2006 A detailed study of the operations politics culture and autonomy of Soviet partisans or guerrillas who fought the German army in WWII Blending military political social and cultural history Slepyan also provides a prism for viewing relations between the suffocating Stalinist state and its independent partisan warriors      *The Military Gazette*, 1926      *Time* Briton Hadden, Henry R. Luce, 1930      *The Illustrated London News*, 1930      **The Universal Jewish Encyclopedia ...** Isaac Landman, Simon Cohen, 1943      Hammer and Rifle David R. Stone, 2000 Analysis of the central role of militarization in the development of state society and economy in the U S S R between the end of the New Economic Plan in 1926 and the conclusion of the first Five Year Plan in 1933

**American Flint**, 1939      **Belgium**, 1941      *National Republican*, 1927      *The New International Year Book* Frank Moore Colby, Allen Leon Churchill, Herbert Treadwell Wade, Frank H. Vizetelly, 1926      *Atkinson's Evening Post and Philadelphia Saturday News*, 1957-09      **The National Geographic Magazine**, 1943 Indexes kept up to date with supplements
