[Stand Firm Day by Day](#) Walk Thru the Bible, 2013 A 365-day devotional for men that equips them with an unshakeable faith to be godly leaders in their homes, churches, and communities. *A Reasonable Faith* Oliver Edward Janney, 1914

Short instructions in the faith Isabel Francis, 1903 **Lives of the English Martyrs** Bede Camm, 1914 **Walking with God** Teresa Sandhu, 2014-05 Feet Tell Stories Tracing footsteps is like following the plot of a story. Footsteps demonstrate where you have walked in your life and point to where you are going. Your spiritual story is important to God. He is the author of your faith and the One who walks with you. Let Walking with God be your exercise book for the next chapter of your life. We are in danger of forgetting that we cannot do what God does and that God will not do what we can do. He will not force us to walk correctly before Him. We have to do that ourselves. We must get into the habit of doing things to instruct ourselves in the way we must go. Oswald Chambers My Utmost for His Highest May 10 Faith Action Each of the fifty short chapters in Walking with God highlights a metaphor from the Bible to help you intentionally coordinate your feet and your faith. Each chapter sets out a spiritual goal, a new place to go with God, a deeper discovery as you walk together, and a way to make that footwork metaphor become real in your life. Your walk with God is the story of your spiritual life. He wants to join you on the journey. Go far. *Stand Firm* Rev Daniel W Blair, 2012-11-13 In the coming days, a solid theological belief system may be our only hope for standing firm in our faith. As we fast approach the end of days, we have seen an increase in demonic activity, psychological problems, and increasing pressure from the religious establishment to accept other belief systems in the name of tolerance. This ready resource will help the end-time saint remain faithful to Jesus even in the face of intense persecution. Reverend Blair is convinced that God has given the Christian everything needed for life and godliness, and he supports this by offering practical application. So as you go along your way, return to this book again and again to drink from
