The Assault:

The Assault Continues Michael S. Pendergast III, 2014-07-25 America had been attacked and ravaged over three nights by an elite force of Al Qaeda guerilla teams but thanks to FBI special agent Philip Calvert and his ad hoc team of agents cops and Marine sharpshooters that assault had been blunted and many of the attackers killed or captured Still Al Qaeda had accomplished much for the assault had terrified Americans from the smallest hamlets to the largest cities And so successful had the assault been that the evil mastermind behind it is now determined to repeat it again and again and again until America bows and submits to Islam and the rule of the supreme Iranian Ayatollah Unfortunately for this evil genius and his allies seemingly disgraced agent Philip Calvert is actually still on the job And so is his team now no longer an ad hoc group but Americas premiere anti terrorist task force Task Force AT And its job isnt simply to counter terrorists and arrest them but to eliminate them with prejudice

Paramilitarism and the Assault on Democracy in Haiti Jeb Sprague, 2012-08 In this path breaking book Jeb Sprague investigates the dangerous world of right wing paramilitarism in Haiti and its role in undermining the democratic aspirations of the Haitian people Sprague focuses on the period beginning in 1990 with the rise of Haiti s first democratically elected president Jean Bertrand Aristide and the right wing movements that succeeded in driving him from power Over the ensuing two decades paramilitary violence was largely directed against the poor and supporters of Aristide s Lavalas movement taking the lives of thousands of Haitians Sprague seeks to understand how this occurred and traces connections between paramilitaries and their elite financial and political backers in Haiti but also in the United States and the Dominican Republic The product of years of original research this book draws on over fifty interviews some of which placed the author in severe danger and more than 11 000 documents secured through Freedom of Information Act FOIA requests It makes a substantial contribution to our understanding of Haiti today and is a vivid reminder of how democratic struggles in poor countries are often met with extreme violence organized at the behest of capital
