during this time period Also included are rare illustrations including a previously unpublished photograph of victim Annie Chapman prior to her death **Food Autonomy in Chicago** Pancho McFarland,2025 Through eighteen years of field research dialogues with colleagues deep involvement in the food movement community in Chicago and introspection Pancho McFarland asks Is the loosely connected network of Black and Indigenous land stewards and food warriors in Chicago an anticolonial force for the liberation of all our relations This examination of a sector of the food autonomy movement in Chicago provides important new ways of understanding race relations gender sexuality spirituality pedagogy identity and their importance to the dynamics of social movements Additionally the book explores how revolutionary culture principles and organization of American Indigenous diasporan Africans anarchist Mexicans and others have been adopted adapted or rejected in our food movement In this autoethnography of the food movement McFarland argues that at our best we work to establish a new society like that theorized and enacted by Indigenous and Black anarchists However the forces of Wetiko colonialism capitalism heteropatriarchy and white supremacy make the work of BIPOC food warriors difficult Wetiko s conceptual categories including race gender sexuality and citizenship influence our worldviews and affect our behaviors These limitations and our responses to them are captured in the dialogues and chapters of Food Autonomy in Chicago
