**The Ashes, 1972** John Arlott, 1972      **The History of Television, 1942 to 2000** Albert Abramson, 2007-09-15 Albert Abramson published with McFarland in 1987 a landmark volume titled The History of Television 1880 1941 massive research Library Journal voluminous documentation Choice many striking old photos The TV Collector At last he has produced the follow up volume the reader may be assured there is no other book in any language that is remotely comparable to it Together these two volumes provide the definitive technical history of the medium Upon the development in the mid 1940s of new cameras and picture tubes that made commercial television possible worldwide the medium rose rapidly to prominence Perhaps even more important was the invention of the video tape recorder in 1956 allowing editing re shooting and rebroadcasting This second volume 1942 to 2000 covers these significant developments and much more Chapters are devoted to television during World War II and the postwar era the development of color television Ampex Corporation s contributions television in Europe the change from helical to high band technology solid state cameras the television coverage of Apollo II the rise of electronic journalism television entering the studios the introduction of the camcorder the demise of RCA at the hands of GE the domination of Sony and Matsushita and the future of television in e cinema and the 1080 P24 format The book is heavily illustrated as is the first volume      **One Man's Terrorist** Daniel Finn, 2019-11-05 The conflict in Northern Ireland was one of the most devastating in post war Europe claiming the lives of 3 500 people and injuring many more This book is a riveting new history of the radical politics that drove a unique insurgency that emerged from the crucible of 1968 Based on extensive archival research One Man s Terrorist explores the relationship between the IRA a clandestine army described as one of the most ruthless and capable insurgent forces in modern history and the political movement that developed alongside it to challenge British rule From Wilson and Heath to Thatcher and Blair a generation of British politicians had to face an unprecedented subversive threat whose reach extended from West Belfast to Westminster Finn shows how Republicans fought a war on several fronts making use of every weapon available to achieve their goal of a united Ireland from car bombs to election campaigns street marches to hunger strikes Though driven by an uncompromising revolutionary politics that blended militant nationalism with left wing ideology their movement was never monolithic its history punctuated by splits and internal conflicts The IRA s war ultimately ended in stalemate with the peace process of the 1990s and the Good Friday Agreement that has maintained an uneasy balance ever since      **Hurt Sentiments** Neeti Nair, 2023-03-07 An insightful history of censorship hate speech and majoritarianism in post partition South Asia At the time of the India Pakistan partition in 1947 it was widely expected that India would be secular home to members of different religious traditions and communities whereas Pakistan would be a homeland for Muslims and an Islamic state Seventy five years later India is on the precipice of declaring itself a Hindu state and Pakistan has drawn ever narrower interpretations of what it means to be an Islamic republic Bangladesh the former eastern wing of Pakistan has swung between professing

secularism and Islam Neeti Nair assesses landmark debates since partition debates over the constitutional status of religious minorities and the meanings of secularism and Islam that have evolved to meet the demands of populist electoral majorities She crosses political and territorial boundaries to bring together cases of censorship in India Pakistan and Bangladesh each involving claims of hurt sentiments on the part of individuals and religious communities Such cases while debated in the subcontinent s courts and parliaments are increasingly decided on its streets in acts of vigilantism Hurt Sentiments offers historical context to illuminate how claims of hurt religious sentiments have been weaponized by majorities Disputes over hate speech and censorship Nair argues have materially influenced questions of minority representation and belonging that partition was supposed to have resolved Meanwhile growing legal recognition and political solicitation of religious sentiments have fueled a secular resistance

*Reinventing Richard Nixon* Daniel E. Frick,2008 Examining Nixon s autobiographies and political memorabilia Frick offers far reaching perceptions not only of the man but of Nixon s version of himself contrasted with those who would interpret him differently He cites reinventions of Nixon from the late 1980s particularly the museum at the Richard Nixon Library and Birthplace to demonstrate the resilience of certain national mythic narratives in the face of liberal critiques And he recounts how celebrants at Nixon s state funeral at which Bob Dole s eulogy depicted a God fearing American hero attempted to bury the sources of our divisions over him rendering in some minds the judgment of redeemed statesman to erase his status as disgraced president With dozens of illustrations Nixon posing with Elvis the National Archives most requested photo Nixonian cultural artifacts classic editorial cartoons no other book collects in one place such varied images of Nixon from so many diverse media These reinforce Frick s probing analysis to help us understand why we disagree about Nixon and why it matters how we resolve our disagreements
