The Bastard King Harry Turtledove,2015-12-15 Two rivals must unite to prevent a disgraced malevolent god from attaining a relic of extraordinary power in the first book of alternate history master Harry Turtledove s magnificent fantasy trilogy More than four centuries ago the Scepter of Mercy was lost to the king of Avornis and each subsequent liege has promised and failed to return the powerful talisman to its rightful home Now young Lanius the only surviving son of King Mergus rules though he is considered illegitimate and must abide by the decisions of regents Still the legacy of the missing scepter ultimately belongs to him But it is also coveted by the Banished One an immortal exiled by the other gods who invades the world of men through their dreams Lanius with no talent or heart for battle must keep those in the sway of the malevolent deity from Avornis s borders To this end Lanius requires the help of Grus a fearless and respected captain of the king s navy But Grus has a far loftier destiny than his common birth would suggest and the bastard king s brave accomplished ally might well turn out to be his most dangerous adversary Originally published under the pen name Dan Chernenko The Bastard King is a magnificent foray into epic fantasy by the incomparable Harry Turtledove the prolific and multi award winning master of alternate history science fiction A tale of courage and destiny it is alive with action imagination and humanity and populated by richly complex imperfect heroes and a villain as truly fiendish as any that has ever graced the fantasy genre

[The Chernagor Pirates](#) Harry Turtledove,2015-12-15 Only a long lost talisman can save a besieged kingdom torn between two kings as a malevolent god marshals his minions to attack corrupt and destroy Two lieges King Lanius who is of royal blood and King Grus the usurper now share the throne of Avornis The former wields no real power kept impotent by the regents surrounding him The latter mans the battle lines determined to protect the kingdom from a fearsome immortal god who was expelled from heaven To the north the city state Chernagor is being torn asunder by a savage civil war that threatens to spill past the border at any moment Catastrophe looms for Avornis and even two kings united may not be strong enough to save her The kingdom s final hope lies in the recovery of the Scepter of Mercy lost for four centuries But the mighty talisman is in the hands of the Mentesh barbarian nomads who are vassals of the terrible exiled god and now that the Banished One wants to consume the entire world they will never relinquish its power The Scepter of Mercy Harry Turtledove s epic fantasy trilogy continues with The Chernagor Pirates the second volume in an adventure that pits man against man and man against immortal Originally
