Horatius Bonar, 2014-05-28 At the cross the everlasting righteousness is found human yet divine provided for man and presented to him by God for relief of conscience and justification of life On the one word It is finished as on a heavenly resting place weary souls sat down and were refreshed The voice from the tree did not summon them to do but to be satisfied with what was done Millions of bruised consciences there found healing and peace Dr Bonar wrote a hymn By the Cross that included these words in verse 1 By the cross of Jesus standing Love our straitened souls expanding Taste we now the peace and grace Health from yonder tree is flowing Heav nly light is on it glowing From the blessed Suff rer s face The belief of that finished work brought the sinner into favor with God and it did not leave him in uncertainty as to this The justifying work of Calvary was God s way not only of bringing pardon but of securing certainty It was the only perfect thing which had ever been presented to God in man s behalf and so peculiar was this perfection that it might be used by man in his transactions with God as if it were his own

The Everlasting Righteousness Horatius Bonar, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1873 edition Excerpt CHAPTER X THE HOLY LIFE OF THE JUSTIFIED finO him that worketh not but believeth says the J apostle speaking of the way in which we are reckoned just before God Does he by this speech make light of good works Does he encourage an unholy walk Does he use a rash word which had better been left unspoken No truly He is laying the foundation of good works He is removing the great obstacle to a holy life viz the bondage of an unforgiven state He is speaking by the power of the Holy Ghost the words of truth and soberness The difference between working and believing is that which God would have us learn lest we confound these two things and so destroy them both The order and relation of these two things are here very explicitly laid down so as to anticipate the error of many who mix up working and believing together or who make believing the result of working instead of working the result of believing We carefully distinguish yet we as carefully connect the two We do not put asunder what God has joined together yet we would not reverse the divine order nor disturb the divine relation nor place that last which God has set first It was not to depreciate or discourage good works that the apostle spoke of not working but believing or of a man being justified by faith withwut the deeds of the law Eom iii 28 or of God imputing righteousness without works ib iv 6 It was to distinguish things that differ it was to show the true use of faith in connecting us for justification with what another has done it was to stay us from doing anything in order to be justified In this view then faith is truly a ceasing from work and not a working it is not the doing of

Allan Dermott,2023-04-16 Have you ever thought about the possible relevance of Bible prophecies to our lives today In this book you will find new perspectives to consider on the prophecies of Daniel and related history These viewpoints may lead to seeing our world in a different light Stepping away from preconceived ideas about prophecies in general and Daniel s visions in particular give new perspective based on decades of study prayer and insightful contemplation Compelling insights bring to light precisely how these prophetic dates are interrelated how they have significant meaning and may have implications for our lives today Even though the Biblical book of Daniel was written millennia ago interest in its meaning for faith and the heart remain A broader perspective and the lens of history brings additional context and reconsideration to earlier interpretations Without these perspectives some tended to have been taken piecemeal out of context or viewed without an understanding of the role of each element in their interrelation to the whole This book reexamines many of these and more and based upon a review of literature no book is found that matches the comprehensive nature regarding each of Daniel s nine prophetic spans Dr Dermott brings out the meanings behind each date and he correlates Biblical authorities with each other and with further compelling and original research The narrative invites you to join this exciting journey and experience the exceptionally detailed unfoldment from each beginning prophetic date to its undeniable fulfillment in history
