The Expendable Spy:

The Expendable Spy Jack Dayton Hunter,1968-01-01 **The Expendable Spy** Jack Dayton Hunter,1966 **The Expendable Spy** Maximilian Lerner,1999-12-01 It is difficult to express what a person feels just being around Dad Clark For me I feel a sense of joy and life that can only come from being in God s presence maybe it is because this precious man lives in His presence and has learned the art of living like few you will ever meet His smile and life are so infectious that you just feel compelled to love and respect him all the while begging to ask How have you lived to be 105 He is to use an old phrase a prince of a man I will always carry in my soul the picture and image of Dad s radiant countenance and I never want to lose it It serves as a reminder to us all that life is about what Christ has done for us and not what life and others have done to us There is no hint of bitterness anger or unforgiveness even though I am sure he has had plenty of justifiable opportunity to be tainted by any or all of them There are not enough adjectives to put in front of this great man s name but there is one thing for sure he is one of God s saints I love you Dad Clark you are a hero Happy 105th birthday Intelligence Elsewhere Philip H. J. Davies,Kristian C. Gustafson,2013-03-12 Spying the world s second oldest profession is hardly limited to the traditional great power countries Intelligence Elsewhere nevertheless is the first scholarly volume to deal exclusively with the comparative study of national intelligence outside of the anglosphere and European mainstream Past studies of intelligence and counterintelligence have tended to focus on countries such as the United States Great Britain and Russia as well as to a lesser extent Canada Australia France and Germany This volume examines the deep historical and cultural origins of intelligence in several countries of critical importance today India China the Arab world and indeed Russia the latter examined from a fresh perspective The authors then delve into modern intelligence practice in countries with organizations significantly different from the mainstream Iran Pakistan Japan Finland Sweden Indonesia Argentina and Ghana With contributions by leading intelligence experts for each country the chapters give the reader important insights into intelligence culture current practice and security sector reform As the world morphs into an increasingly multi polar system it is more important than ever to understand the national intelligence systems of rising powers and regional powers that differ significantly from those of the US its NATO allies and its traditional opponents This fascinating book shines new light into intelligence practices in regions that until now have eluded our understanding **The Seven Military Classics Of Ancient China** Ralph D. Sawyer,2020-04-07 The Seven Military Classics is one of the most profound studies of warfare ever written a stanchion in sinological and military history It presents an Eastern tradition of strategic thought that emphasizes outwitting one s opponent through speed stealth flexibility and a minimum of force an approach very different from that stressed in the West Safeguarded for centuries by the ruling elite of imperial China even in modern times these writings have been known only to a handful of Western specialists This volume contains seven separate essays written between 500 BCE and 700 CE that preserve the essential tenets of strategy distilled from the experience of the most brilliant warriors of
