The Road To Jericho:

Redemption on the Road to Jericho Paul Kluzek,2023-09-08 Redemption on the Road to Jericho is a Christian novel with two simultaneous stories centering around the biblical story of the Good Samaritan One is a modern day tale while the other one occurred two thousand years ago in the land of Judea They are emotionally engaging stories dealing with love human conflict pain and suffering and the healing process that can set a person free from their painful past It is possible that this book can inspire victims of abuse to set themselves free from the emotional scars that they carry This book illustrates how life was like when Jesus walked among us and shows that people really haven t changed all that much since then We may have many modern conveniences and luxuries and have access to all kinds of knowledge but we still have difficulty loving one another and making wise choices The story of the Good Samaritan encompasses all of humanity because we have all been victims or bullies at one time or another We all need redemption and we all need a helping hand at one time or another and we can choose to be that helping hand as well We are all going down our own unique pathways in life but no matter what road a person travels one way or another all roads eventually lead to the cross Once we arrive there we have to choose what we will do with Jesus

On the Road to Jericho Janice Cole Hopkins,2018-09-29 This book covers the period in Jesus life on earth when He traveled from Galilee to Jerusalem for the last time From Jericho Jesus will journey by foot up the steep incline and rough terrain to Jerusalem He will enter the city amid palm branches and cheers be arrested in the Garden of Gethsemane stand trials and suffer crucifixion at Golgotha Knowing that the end of His time on earth is drawing near Jesus teachings are especially poignant and filled with meaning He wanted His followers to be ready for the tests and trials to come They would need understanding to carry on the work and proclaim the gospel message across the world We do too so let s travel along on the road to Jericho and study Jesus teachings

The Jericho Road John Habberton,2017-09-17 Excerpt from The Jericho Road A Story of Western Life While reading of the poor fellow who had so hard a time on the road to Jericho two thousand years ago I have often wondered what would have happened had not the Good Samaritan come along Similar accidents have occurred when the Good Samaritan was longed for but failed to put in an appearance when priests and Levites passed by in unending procession when the thieves had such an air of respectability that the victim naturally wondered if a reputation About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such
