of Britain's best loved and most enduring sitcoms. The programme had two incarnations: the original series *The Likely Lads* (BBC 1964-6) depicted the escapades of Bob and Terry, two footloose and fancy-free Tyneside lads; its even more popular 70s sequel *Whatever Happened to the Likely Lads* (BBC 1973-4) shows our heroes coming to terms with the end of their youth and its attendant possibilities. Now Bob, engaged to Thelma and with an executive starter home, is aiming for the stars via the badminton club, while Terry revels in the gutter. Phil Wickham explores what the series says about Bob and Terry's times, from the affluent 60s to the more troubled decade that followed, and how *The Likely Lads* tackles issues of class and masculinity. He also considers the nature of the series' humour and its place in the tradition of British sitcom, before examining the way it appeals to its audience by raising questions about time, failure and the realities of everyday life. His discussions are informed by interviews with the writers Dick Clement and Ian La Frenais.

The Closed Circle Jonathan Coe, 2007-12-18. The characters of *The Rotters Club*, Jonathan Coe's beloved novel of adolescent life in the 1970s, have bartered their innocence for the vengeance of middle age in this incisive portrait of Cool Britannia at the millennium.

From Self to Shelf Sally Bayley, William May, 2007. *From Self to Shelf* is a marvellously rich and various exploration of the interplay between biographical and aesthetic selves, ranging from the great self-inventions of the Romantic poets through the complexities of revelation and impersonality that characterise twentieth-century art, and down to the knowing dramas of reticence and display that distinguish the work of so many leading contemporaries. It includes essays in literary criticism, chapters in the history of painting and of music, biographical accounts and studies in popular culture, as well as reflections by eminent practitioners. The editors have assembled an outstanding group of contributors with names both new and familiar to produce a volume at once absorbing and surprising, warmly alive to the human stories it tells while remaining theoretically up to date and creating a book that is altogether as engaging and thought-provoking as the masterpieces it illuminates.
