**Sacred Fire** Ronald Rolheiser,2017-03-14

When one reaches the highest degree of human maturity one has only one question left How can I be helpful

TERESA OF VILA Beloved author Ronald Rolheiser continues his search for an accessible and penetrating Christian spirituality in this highly anticipated follow up to the contemporary classic *The Holy Longing* With his trademark acuity wit and thoughtfulness Rolheiser shows how identifying and embracing discipleship will lead to new heights of spiritual awareness and maturity In this new book Rolheiser takes us on a journey through the dark night of the senses and of the spirit Here we experience the full gamut of human life pleasure and fervor disillusionment and boredom But as Rolheiser explains when we embrace the struggle and yearning to know God we can experience too a profound re understanding to our daily lives What lies beyond the essentials the basics Rolheiser writes Where do we go once some of the basic questions in our lives have been answered or at least brought to enough peace that our focus can shift away from ourselves to others Where do we go once the basic questions in our lives are no longer the restless questions of youthful insecurity and loneliness Who am I Who loves me How will my life turn out Where do we go once the basic question in life becomes How can I give my life away more purely and more meaningfully How do I live beyond my own heartaches headaches and obsessions so as to help make other peoples lives more meaningful The intent of this book is to try to address exactly those questions How can we live less self centered more mature lives What constitutes deep maturity and how do we reach that place And not unimportantly what constitutes a more adult Christian discipleship What constitutes a truly mature following of Jesus As the poet Rainer Maria Rilke suggests Live the questions now In *Sacred Fire* Rolheiser s deeply affecting prose urges us on in pursuit of the most holy of all passions a deep and lasting intimacy with God

**The Sacred Fire** Gabriel De Lautrec,2019-07

The present volume contains De Lautrec s short novel *The Sacred Fire* 1904 and a selection from short prose poems 1898 The latter benefit from being juxtaposed with the former because one of the episodes of the novel reveals the circumstances in which they were composed with not only explains their surreal nature but allows them to serve as an illustration of the argument made in that episode

*The Sacred Fire* opens with a description of a secret ritual practiced by one of the cults of the French Occult Revival and much of the discussion featured in the story deals with the nature and philosophy of magic Despite its ground breaking nature it never achieved publication in volume form until now The prose poems are among the most important precursors of surrealism contemporary with the most significant contributions that Alfred Jarry made to the preliminary foundations of that

movement They are among the most extreme examples of the Decadent Movement and together with the short novel a fascinating commentary on its psychology and esthetics
