Memory and Identity in the Narratives of Soledad Puértolas Tamara L. Townsend, 2014-09-09 Narratives of contemporary Spanish writer Soledad Puértolas 1947 inducted into the Real Academia Española in 2010 depict the psychological struggles of the individual in postmodern democratic European society Puértolas's realist style emphasizes storytelling and character portrayal and her urban middle class characters seek satisfying interactions with others and a sense of purpose Memory aids characters in their quest for meaning and identity and their use of memory reveals their self perception and outlook on life This book maps four ways in which Puértolas's narratives use memory to approach the fundamental problem of the individual's search for purpose and identity Some characters are burdened by memory in certain texts especially *Das del Arenal* 1992 and *Burdeos* 1986 Reflection upon a painful self-defining memory affects their present mood and behavior For some this burden causes them to withdraw or to act irresponsibly others accept and overcome the scars of the past A second type of character takes an escapist approach to memory as seen in *Queda la noche* 1989 Their nostalgic retreat indicates a restless dissatisfaction with the present In a third type of memory a secondary character provides the organizing force behind a protagonist's reminiscences often an extroverted foil to highlight the protagonist's introspective nature Memory of the relationship motivates the protagonist to mentally order his or her own life through the life review process *Una vida inesperada* 1997 and *La se ora Berg* 1998 provide examples Finally in the amnesic mode Puértolas departs from realism to experiment with different forms of amnesia as in *La rosa de plata* 1999 and *Si al atardecer llegara el mensajero* 1995 Memory loss highlights the centrality of memory to personhood and identity while at the same time it draws attention to the inadequacy of memory to explain the totality of existence

Desde Cualquier Punto De Vista Jorge Biggs, 2010-02-23 *Desde Cualquier Punto de Vista* *Desde Cualquier Punto de Vista* es una mirada audaz a Santiago de Chile Con una prosa rápida un constante cambio de narrador y una irreverencia que no se le conoce en textos anteriores Biggs aborda los problemas de la vida cotidiana en una historia que pudo ser la suya El relato central es el de un ejecutivo exitoso Carlos Sims que estando en la cima de su carrera enfrenta un sorpresivo despido con todo lo que ello implica pérdida del automóvil de la empresa del chofer y de mil prebendas que crea que serán para siempre El tema no es menor cuando va acompañado del relato de personajes como el junior de la oficina Pablo Carreo quien junto a su amigo Sebastián con una ambigüedad sexual el primero y una abierta homosexualidad el segundo organizan una Brigada de Asalto cuyo financiamiento en una primera etapa es a cargo de una fábrica de condones que ellos mismos han montado Personajes como la madre de Sebastián Mara Elena Lillo antigua combatiente del VOP de la secretaria Melinda que es capaz de cualquier cosa con tal de no fallarle a su jefe o del subgerente Claudio Valdés Fonk quien con un cálculo cínico y sin fronteras aspira al cargo máximo se armonizan en forma sinfónica con la suegra del protagonista que es víctima del terrible mal de Alzheimer y de su esposa una mujer de clase quien desde su soledad pasiva ve transformarse su entorno sin tener recursos ni respuestas para enfrentar el derrumbe del mundo en que

creci La novela transcurre con una velocidad abismante con una serie de otros personajes tan reales como los que construye Biggs los que van relatando una historia lineal y transversal a la vez desde su personal punto de vista Desde Cualquier Punto de Vista From Any Point of View is an audacious look at Santiago de Chile With fast prose a constant change of narrator and with an irreverence that we didnt see in his previous books Biggs faces the problems of everyday life in a story that could be your own The central plot involves a very successful executive Carlos Sims who at the peak of his career is unexpectedly fired hence facing all the losses the company car the chauffer and thousands of other perks he thought would last forever This theme is knit with the story of a sexually ambiguous junior executive Pablo Carreo and his homosexual friend Sebastin who together decide to organize a Brigade of Assault financed by a condom factory The story is filled with rich characters like Sebastins mother Mara Elena Lillo a former V O P Militant an armed leftist group in Chile during the sixties Melinda the secretary who is ready to do anything for her boss or the assistant manager Claudio Valds Fonk whos trying to claw his way to the top of the Company with a lack of scruples and a cynical attitude Woven into this rich tapestry is Carlos mother in law a victim of Alzheimers his wife a woman with class who from her passive loneliness sees her world fall apart without having means or answers to face the destruction of the world she grew up in Biggs has created a novel of breathless speed with a series of other characters that tell the story in a lineal and transversal way from their own point of view **New Argentine Film** G.
