Tomorrows Memories:

Tomorrow's Memories Angeles Monrayo, 2003-03-31 Angeles Monrayo 1912 2000 began her diary on January 10 1924 a few months before she and her father and older brother moved from a sugar plantation in Waipahu to Pablo Manlapit s strike camp in Honolulu Here for the first time is a young Filipino girl s view of life in Hawaii and central California in the first decades of the twentieth century a significant and often turbulent period for immigrant and migrant labor in both settings Angeles vivid simple language takes us into the heart of an early Filipino family as its members come to terms with poverty and racism and struggle to build new lives in a new world But even as Angeles recounts the hardships of immigrant life her diary of everyday things never lets us forget that she and the people around her went to school and church enjoyed music and dancing told jokes went to the movies and fell in love Essays by Jonathan Okamura and Dawn Mabalon enlarge on Angeles account of early working class Filipinos and situate her experience in the larger history of Filipino migration to the United States

A Journey into Tomorrow Veronica Camille Tinto, 2010-05-28 Writing these poems began as a therapeutic process which turned into words that supported me during a very tumultuous period in my life The poetry that unfolded manifested itself as an inspirational source that further comforted me during this difficult season Ironically the poems were able to transcend my own personal experiences and can be applied to anyone s life as an inspirational thought that can be carried through out your day Then it becomes my hope for you my reader that the poems found within these pages bring you the same amount of solace inspiration and contentment that it provided me as I created them just for you

Balikbayan Adrian De Leon, 2026-03-24 How migrants imagined a country through their acts of return What does it mean to go back home especially when home is shaped by conquest labor and longing This question has animated the experiences of global migrants displaced by imperialism capital and the nation states that have sought to manage their movements for their own political and economic benefit Through vivid storytelling Adrian De Leon traces how Filipinos both at home and overseas have both shaped the societies they ve settled in and transformed the very idea of the Philippines itself By following the emergence of the Filipino return migrant balikbayan De Leon explores how statecraft in the Philippines from the late Spanish period through the post 1946 independent state attempted to co opt value from migrant communities Balikbayan shows how diasporic labor and transpacific political imaginations were central to the development of a modern Philippine nation state through enabling the continued conquest of the islands frontiers and sustaining the economic recovery of a nation indebted by native elites and overseas empires In turn these lands were reframed by the state as the birthright of overseas Filipinos who yearned to connect with their roots Compiled through deep and thoughtful research in community archives the itinerant histories brought to life in Balikbayan coalesce around a new cultural economic form that has come to define contemporary nationhood the homeland
