## Years Festivals:

The Festivals of Opet, the Valley, and the New Year Masashi Fukaya, 2020-05-28 This volume compares the religious and social functions of the Ancient Egyptian festivals of Opet the Valley and the New Year Until now detailed study of the New Year Festival has only been carried out with reference to the Greco Roman period this study turns its attention to the New Kingdom

The Provincial Music Festival in England, 1784-1914 Pippa Drummond, 2016-02-24 A history of the English music festival is long overdue Dr Pippa Drummond argues that these festivals represented the most significant cultural events in provincial England during the nineteenth century and emphasizes their particular importance in the promotion and commissioning of new music Drawing on material from surviving accounts committee records programmes contemporary pamphlets and reviews Drummond shows how the festivals responded to and reflected the changing social and economic conditions of their day Coverage includes a chronological overview documenting the history of individual festivals followed by a detailed exploration of such topics as performers and performance practice logistics and finance programmes and commissioning together with information concerning the composition and provenance of festival choirs and orchestras Also discussed are the effects of improved transport and new technologies on the festivals sacred and secular conflicts gender issues the role of philanthropy the nature of patronage and the changing social status of festival audiences The book will also be of interest to social economic and local historians
