Lang,2024-12-05 Where is the harm The truth is that the Folk Lore Societymade up of the most clever learned and beautiful men and women of the countryis fond of studying the history and geography of Fairy Land This is contained in very old tales such as country people tell and savages Little Sioux and little Crow Little frosty Eskimo These people are thought to know most about fairyland and its inhabitants But in the Yellow Fairy Book and the rest are many tales by persons who are neither savages nor rustics such as Madame D Aulnoy and Herr Hans Christian Andersen The Folk Lore Society or its president say that their tales are not so true as the rest and should not be published with the rest But we say that all the stories which are pleasant to read are quite true enough for us so here they are with pictures by Mr Ford and we do not think that either the pictures or the stories are likely to mislead children *The Yellow Fairy Book* Andrew Lang,1895 Forty eight fairy tales from the folklore of Hungary Russia Poland Iceland Germany France England and the American Indian

on publishing his delightful Red Blue Green and Yellow Fairy Books as if the cry of too many books had never been uttered The juvenile clientele whom he addresses is an ever increasing one and is as many colored as Joseph s or as Parsifal s coat So skilful a caterer as this keen eyed Scotchman is not often found an intellectual gourmand of the first water long since awarded the cordon bleu in the fine art of fairy tales he knows what his public likes the exacting appreciative boy and girl public whose instinctive cleverness tells them what is good and what is not His sympathetic nature makes all children congenial to him and he has remained child enough despite Homeric disquisitions and scientific fads in folk lore to pick out with infallible taste just what they like The Yellow Fairy Book is full of tales from uncouth tongues like Polish Hungarian Russian and Red Indian but also sprinkled with old favorites like Andersen s Tin Soldier and Grimm s Iron Stone A glimpse or two from the fanciful French Cabinet des F es is also to be found in this capital collection which is prefaced by a good natured but sharp tongued stricture on the false position of Mr Laurence Gomme and his rather portentous Folk Lore Society This book is fully illustrated and annotated with a rare extensive biographical sketch of the author Andrew Lang written by Sir Edmund Gosse CB a contemporary poet and writer

The Yellow Fairy Book Lang Andrew,2017-04-08 Its initial printing was 15 000 copies The Yellow Fairy Book is a collection of tales from all over the world It features many tales from Hans Christian Andersen

The Yellow Fairy Book (Classic Reprint) Andrew Lang,2015-07-16 Excerpt from The Yellow Fairy Book The Editor thinks that children will readily forgive him for publishing another Fairy Book We have had the Blue the Red the Green and here is the Yellow If children are pleased and they are so kind as to say that they are pleased The Editor does not care very much for what other people may say Now there is one gentleman who seems to think that it is not quite right to print so many fairy tales with pictures and to publish them in red and blue covers He is named Mr G Laurence Gomme and he is president of a learned body called the Folk Lore Society Once a year he makes his address to his subjects of whom the Editorie one and Mr Joseph Jacobs who has published many delightful fairy tales with pretty pictures 1 is another Fancy then the dismay of Mr Jacobs and of the Editor when they heard their president say that he did not think it very nice in them to publish fairy books above all red green and blue fairy books They said that they did not see any harm in it and they were ready to put themselves on their country and be tried by a jury of children And indeed they still see no harm in what they have done nay like Father William in the poem they are ready to do it again and again About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
