## **Mental Health and Wellness Group**

We understand the mental health sector in Queensland faces a significant gap in accessible, effective therapy solutions, particularly in Equine Assisted Growth and Learning. If you are on a waitlist or interested in Equine Assisted Therapy, we can help. Stable Hearts offers clinically based, trauma-informed support for children and adults with wellness challenges triggered by, but not limited to, C-PTSD and PTSD, Grief/Loss, Anxiety, and Youth/Adult recovery programmes. Qualified and experienced Counsellors and MHW (Mental Health and Wellness Educators) facilitate our programmes.

### **A BIT ABOUT THE STABLE HEARTS FAMILY AND CIRCUMSTANCES**

Established in New Zealand in 2012, Stable Hearts collaborated with NZ government support agencies, families, schools, and adult recovery enterprises in Hawke's Bay. In February 2023, we endured the full impact of Cyclone Gabrielle, which caused our property to be consumed by a river that breached its banks, leading to the tragic drowning of our beautiful herd of 11 horses. Our home and equestrian facilities were subsequently destroyed beyond repair.

In the wake of this disaster, we took several months to support existing clients and families through the initial grief process while also managing our own recovery. Given the circumstances, it felt like the right time for us to join the majority of our family who have lived and worked in Queensland, for more than 10 years.

To the Queensland Equestrian Community, especially Equestrian Spirit (our first Stable Hearts EquiCentre™, Logan Village) and all our family and friends near and far, thank you for supporting Stable Hearts resurgence.
