The Atheist:

The Atheist's Mass and Other Stories Honoré de Balzac, 1896 **The Atheist's Fatal Flaw** Norman L. Geisler, Daniel J. McCoy, 2014-06-10 Most critiques of atheism focus on refuting head on the claims of atheists Instead this unique book faithfully represents what atheists say they believe and stands back to watch as the natural inconsistencies in that worldview inevitably rise to the surface Norman L Geisler the apologetic giant of our time is joined by Daniel J McCoy highlighting two inconsistencies in particular First they examine the atheist's assertion that God cannot exist because there is evil in the world and that if God truly existed he would intervene These same people then turn around and say any intervention on God's part would impose upon human autonomy and thus would be unjust Second these very interventions that would be considered immoral if imposed upon the earth by God are lauded when they stem instead from some human institution or authority Geisler and McCoy highlight this kind of doublethink step by step showing readers how to identify such inconsistencies in atheistic arguments and refute them or rather show atheists how they refute themselves **The Atheist's Guide to Heaven & Hell--** Charlie Marx, 2007 Charlie Marx like many of us enjoys a good moan from time to time This particular series of moans and groans resulted in a two and a half week period of him writing this novel until he got it all out of his system The result is this collection of hilarious views on life the universe and charity shop charges Helped by some characters in his head we travel into the mind of this disturbed individual and see the world as it just might be Along with famous and infamous people in situations you will certainly not have imagined them in before you will find characters like an educationally deprived scarecrow an ambitious but ultimately disappointed 5 note and a series of improbable and improper pensioners Within this novel you will find out God's real name what the difference is between a hill and a mountain as well as why Charlie went all the way to Turkey to end up in Amsterdam **The Logic of Death: Or, Why Should the Atheist Fear to Die?** George Jacob Holyoake, 1874 **The Atheist's Way** Eric Maisel, 2010-10-01 In *The Atheist's Way* Eric Maisel teaches you how to make rich personal meaning despite the absence of beneficent gods and the indifference of the universe to human concerns Exploding the myth that there is any meaning to find or to seek Dr Maisel explains why the paradigm shift from seeking meaning to making meaning is this century's most pressing intellectual goal *The Complete Works: Venice preserv'd. The atheist. Poems. Love-letters* Thomas Otway, 1926 **Introduction. The atheist's tragedie. A funerall poeme. A griefe on the death of Prince Henrie** Cyril Tourneur, 1878 *Preface. Introduction. The atheist's tragedie. A funerall poeme upon the death of the most worthie and true souldier, Sir Francis Vere, knight. Three elegies on the most lamented death of Prince Henrie* Cyril Tourneur, 1878 **The Atheist's Primer** Malcolm Murray, 2010-04-06 *The Atheist's Primer* is a concise but wide ranging introduction to a variety of arguments concepts and issues pertaining to belief in God In lucid and engaging prose Malcom Murray offers a penetrating yet fair minded critique of the traditional arguments for the existence of God He then explores a number of other important issues relevant to religious belief such as the problem of

suffering and the relationship between religion and morality in each case arguing that atheism is preferable to theism The book will appeal to both students and professionals in the philosophy of religion as well as general audiences interested in the topic

Copyright Libri GmbH All rights reserved **Inside the Atheist Mind** Anthony DeStefano,2018-03-20 There is only one way to deal with bullies even in this politically correct world and that is to crush them USA Today bestselling author Anthony DeStefano is tired of playing nice After years of responding patiently and agreeably to the pseudo intellectual arguments and tactics of today s militant atheists he s had enough In this entertaining no holds barred retort to atheism and its proponents DeStefano reveals the intellectual bankruptcy at atheism s core and equips believers to respond to its hollow arguments A witty and devastating takedown of the new atheist position Inside the Atheist Mind systematically debunks the theories of Richard Dawkins Christopher Hitchens Sam Harris and others revealing how inconsistent illogical and frankly ludicrous their conclusions truly are Poking fun at atheists in a clever and intelligent way DeStefano demonstrates just how full of holes the new atheism is and reveals that it is actually a religion of its own complete with a creed a set of commandments and sacraments and a rigid moral code with rewards and punishments More than that DeStefano exposes that atheism is itself a superstition of the worst kind Using irony and a healthy dose of playful sarcasm Inside the Atheist Mind lampoons teases and deflates the atheist position unmasking it for what it is an empty intellectually barren philosophy devoid of any logic and common sense

The Freethinker ,1917 **Is the Atheist My Neighbor?** Randal Rauser,2015-06-04 Do atheists hate God Many Christians seem to think so For the last three centuries Christians have widely assumed that atheism is always a result of a rebellious sinful rejection of God According to this view at some level atheists really do know there is a God but they sinfully suppress this knowledge because they want to live independently of God But what if that is not correct What if some folks are atheists not because they re sinful and foolish but because they ve thought hard they ve looked carefully and they have simply not found God What if the common Christian assumptions about atheism are little more than an indefensible prejudice What if the atheist really is our neighbor

[Prose Quotations from Socrates to Macaulay](#) Samuel Austin Allibone,1876 [Brownson's Quarterly Review](#) ,1873 **The Atheist Who Didn't Exist (Fully Revised 10th Anniversary Edition)** Andy Bannister,2025-07-17 Does atheism really explain everything Can reasonable people take Christianity seriously During the early twenty first century New Atheism was busy producing best selling books and plastering adverts on the sides of buses Its loud scepticism is not as popular these days but many of its arguments live on Yet what if some of its common claims like science has buried God and religion is the cause of most wars are not just incorrect

but demonstrably wrong What if Richard Dawkins and the other New Atheists were not merely barking up the wrong tree but were in the wrong forest entirely Andy Bannister brings you this fully updated and revised book with new chapters new resources and new comedy The Atheist Who Didn t Exist is designed for curious people to tug at the loose threads of atheism and see if it unravels
