The Artists Widow:

The Artist's Widow Shena Mackay, 1999 THE ARTIST S WIDOW opens in Mayfair gallery at the private view of the last paintings of John Crane where we meet Lyris Crane the artist s widow and a painter in her own right Also present are several other key players in the drama all of whom are drawn to Lyris for a variety of reasons and motives There is Nathan Pursey a boorish young conceptual artist on the make Clovis Ingram a bookseller who is involved with Candy the rejected mistress of a Tory MP who has just lost his seat and Zoe a beautiful television film maker An incident on his way home proves Clovis capable of an act of cowardice that will haunt him always Nathan sets off a train of events with a maudlin late night phone call to Jackee a sad white rastafarian whom he dumped a while ago This is a story of the good the bad and the untalented where the intricate and often funny narrative explores the nature of the artistic impulse as well as guilt and the possibility of redemption

Artist's Widow S Mackay, 1998-07-02 *Artists Widow Header Exp* S Mackay, *Artists' Estates* Magda Salvesen, Diane Cousineau, 2005 Artists Estates offers a fascinating journey into the complex and competitive art world through the distinctive lens of those who deal with the paintings prints and sculpture that artists leave behind after their deaths Bringing together interviews conducted by Magda Salvesen the widow of the second generation Abstract Expressionist painter Jon Schueler this unique book provides a window into the goals and desires the conflicts and frustrations and the emotional and financial strains that confront widows companions sons and daughters as the heirs to artists estates The judiciously arranged and edited interviews also address the benefits and liabilities of foundations and trusts through the insights of lawyers gallery dealers and foundation directors Readers will explore well known estates including those of Roy Lichtenstein Mark Rothko Adolph Gottlieb Milton Avery Romare Bearden and David Smith as well as the equally intriguing legacies of lesser known artists whose work came to the fore in the forties and fifties Together the passionate testimonies of families and lovers the measured voices of art professionals and the more than eighty photographs offer an indispensable entre into the private and public worlds of art

The Artist's Estate Dr. Loretta Würtenberger, 2021-11-24 Andy Warhol bequeathed us the words Death can really make you look like a star But death per se is not a catalyst for the relevance of an artist What is of crucial importance is the proper management structure for the posthumous preservation and development of an artistic estate The handbook by Loretta W rtenberger presents the possible legal framework appropriate financing models as well as the proper handling of the market museums and academia Her business Fine Art Partners has advised artists and artists estates for many years in their structuring and development of estate concepts as well as in operative questions Based on numerous international examples the author explains the different alternatives for maintaining an artist s estate and makes recommendations on how to ideally handle work archives and mementos following the death of an artist

Affairs of the Art Katrina Strickland, 2013-05-01 The reputations of artists are curious things influenced by factors beyond the quality of the work Affairs of the Art explores the role those left behind play

in burnishing an artist's reputation after he or she dies Through interviews with those handling the estates of artists including Fred Williams Brett Whiteley John Brack Howard Arkley Bronwyn Oliver George Baldessin and Albert Tucker as well as a raft of art dealers academics curators and auctioneers Strickland traverses the strange alleyways of the art market where power resides with those who hold the best stock and highlights the sometimes heart wrenching way emotion and duty intersect in the making of decisions by those left behind
