Reporting Baseball's Sensational Season of 1890 Scott D. Peterson, 2015-03-25 When the members of the first baseball players union formed their own league in open revolt against the reserve clause and other restrictive practices of the National League baseball journalism became less of a curiosity shop phenomenon and moved into the mainstream Baseball writers Henry Chadwick T H Murnane and Ella Black covered the labor struggle on the field and in the front offices and took sides one as a mouthpiece for the capitalist owners one as a supporter of the cooperatively operated Players League and one as a voice for female journalists Through a close examination of their work this book charts the rise of sports journalism in response to the famed Brotherhood War of 1890 The Eagle Magazine ,1919 Adventure ,1913 Popular Culture in Taiwan Marc Moskowitz, 2010-10-18 The growing field of popular culture studies in Taiwan can be divided into two distinct academic trends a different analytical framework is used to examine either locally oriented popular culture or transnational pop culture This volume combine these two academic trends firstly by revealing that localized popular culture in Taiwan is in many ways a merging of Chinese Japanese American and indigenous cultures and therefore is a form of hybridity that arose long before the term became popular Secondly the chapters show that the transnational character of Taiwan s pop culture is one of the more important ways that it distinguishes itself from mainland China In other words it is precisely Taiwan s transnational hybrid character that helps to define it as a distinctive local space The contributors explore how traditional Chinese influences modern localized lives in Taiwan localized identity culture and politics as a contested domain with Chinese and traditional Taiwanese identities and Taiwan s localization process as contesting Taiwan s gravitation towards globalized Western culture Including chapters on baseball poetry pop music puppets and Harry Potter Popular Culture in Taiwan is an accessible and stimulating read for those studying the culture and society of Taiwan and China as well as cultural studies more generally *The Sports Immortals* Peter Williams, 1994 Explores the psychology of hero worship in sports covering the period from the late 19th century to the present Offers an overview of the classic theorists and demonstrates how the public creates heroes and villains in the same way the Greeks created archetypal deities Topics include the archetypes of human myth localized sports archetypes origins of the baseball myth the archetypes of baseball and the sports press Paper edition unsean 17 95 Annotation copyright by Book News Inc Portland OR Baseball Heroes ,2010 **The Mennonite** ,1925 **Descriptive**
