## **The Errant Nun:**

The Errant Nun Natsolim,1979      **Predatory Nuns** Brian Titley,2022-06-08 Since the first scandals broke in the mid 1980s the sexual misconducts of priests have cost the Catholic Church in America more than 4 billion in compensation settlements and incalculable damage to its reputation Although their crimes have attracted far less attention predatory nuns have also caused harm The depredations of these nuns took place in convent novitiates orphanages boarding schools for Native Americans and in Catholic schools both elementary and secondary Their victims male and female ranged in age from six year olds to young adults This book focuses on the criminal behavior of North American nuns and the responses from church leadership Mothers superior were outspoken in their refusal to accept responsibility for the crimes committed under their watch and their inclination was to close ranks and protect the predators endangering many children and young people in the process The complainants on the other hand were considered nuisances to be pushed aside with the least amount of exposure and expense possible Straightforward and informative this text begins by exploring the nuns vow of chastity and its relationship with human sexuality followed by dozens of case studies detailing the sexual abuse that nuns committed in various settings      The Assassin Nuns and the Pirates of Peppercorn Bay Manisha Anand,2016-12-25 Blessed and badass Who knew that protecting the sleepy little town of Pistachio could be such hard work Even heroes need a holiday So Ann and the Assassin Nuns pack their bags and kitchen equipment Sister Ruth insists and head off to the seemingly action free Peppercorn Bay where the only thing they re likely to attack is a plate of fish and chips But Peppercorn Bay has a history and our unlikely bunch of habited heroes have no choice but to confront it With a sword or two if you please      **Versions of Virginit**  
**Virginit in Late Medieval England** Sarah Salih,2001 This study looks at the question of what it meant to be a virgin in the Middle Ages and the forms which female virginit took It begins with the assumptions that there is more to virginit than sexual inexperience and that virginit may be considered as a gendered identity      A History of Celibacy Elizabeth Abbott,2000 What causes people to give up sex Abbott s provocative and entertaining exploration of celibacy through the ages debunks traditional notions about celibacy a practice that reveals much about human sexual desires and drives
