The Ever Rolling Stream:

An Ever Rolling Stream Don Snuggs,2015-06-28 From the conventional to the unconventional in life and medicine Don Snuggs had a very normal childhood Born in 1932 and a child of the war he matured into an imaginative unconventional professional practitioner of alternative medicine After surviving the trauma of war many found themselves the subject of prejudice and discouragement but with his determination to succeed Don went on to make his mark on the world As a child Don spent some of his childhood in hospital which ultimately led to his interest in medicine and the nursing profession *An Ever Rolling Stream* details his life from his wartime childhood to his life as a nurse Don shares his memories of being in charge of a cancer ward in the Uxbridge RAF hospital and how it taught him the effects that disease and ill health can have on a person This led Don eventually to pursue an interest in Chinese medicine with its different approach to the sick person and his predicament Most of his stories talk not about cure but about care as Don shares his time spent comforting and caring for distressed patients as well as the support and friendship he shared with his bemused colleagues *An Ever Rolling Stream* is a touching memoir that allows the reader to share some of Don Snuggs most personal memories of his time spent living in a war torn Britain and caring for those most affected by their afflictions This book will appeal to readers with an interest in the Second World War as well as those with an interest in traditional and alternative medicine

Cracking the Timeline Ruth Rosemary,2023-03-10 History versus science history versus history or history with science who has it right In this book you will be challenged to think differently about BC history Discover a calendar that is over five thousand years old and how the younger calendars go with it in this timeline Discover a reason why different dates are assigned to the same event Explore why the Second Temple of Judaism which stood partly BC and partly AD for about 420 years can have a start date in the 500s BC and 300s BC Discover concurrent event reading of the Bible as it relates to history Discover the accuracy preserved by forefathers and more With the use of the Gregorian calendar beginning in the 1500s we read BC history with dates that go backward as events move forward This is exactly the opposite of our current dates where the dates move forward as events move forward In this book there is a BC to AD timeline of the Bible some history and some prophesied events As you read you will go on a journey through history and put together past
