Risk Maker Risk Taker ,2007 **The Risk Taker** Stephanie Alves,2026-04-10 Nathan I ve built my entire life around control I do what s expected of me keep my head down and avoid anything that might drag me off course Which is why when Coach gives me the task of keeping Logan Gray in check it feels like a cruel joke He s too loud parties too hard takes nothing seriously and has made an art out of getting under my skin He doesn t try to hide how much fun he has pushing my buttons by walking around shirtless tossing out flirty comments and refusing to give me any space I tell myself I can handle him that it doesn t matter how many times I catch myself watching him when I shouldn t I ve spent too long being careful to let someone like Logan

Gray knock me off balance but it becomes hard to remember that when he doesn't play by the rules I've avoided risk my entire life. But lately I'm not sure I want to. Logan I've always been good at getting under people's skin. It's kind of a talent one that Nathan Hayes is immune to. He's disciplined to a fault, annoyingly focused and has spent the last two years barely acknowledging my existence. But when Coach decides his son is the perfect guy to keep me in line that all changes. Suddenly he's watching me. Paying attention. Frowning every time I push his buttons. And I push. Obviously. Because he's straight, untouchable and completely unaffected. Or so I thought. Turns out Nathan isn't quite as immune as he pretends to be. One touch and one unexpected confession is all it takes until we're sneaking around. I've never been one to turn down a little fun and if my tightly wound rule following roommate wants someone to help him figure things out I'm more than willing to be of service. What can I say I'm a very supportive teammate.

**The Risk Taker** John Paul Gutschlag, 2016-08-15 John P Gutschlag lovingly describes the student health insurance industry as akin to a mining town in the Old West. Great risk can lead to great reward but there's a dark side to this world. With few rules and regulations protecting customers, insurance agents and the business associates they work for are free to commit fraud and fleece students too naive to know better. In this memoir and exposé former insurance executive Gutschlag proves he would be right at home in this hypothetical mining town. In addition to serving as CEO for various companies he owned the Bar GM ostrich ranch in Texas. As Gutschlag takes readers through his adventurous life in and out of the business world some of that cowboy gruffness shows through. Gutschlag offers advice on everything from avoiding insurance scams along with detailed case studies to nursing a broken heart. He's been unlucky many times in his life. He's chosen the wrong woman. He's made the

wrong business decision And yet he always gets back up on his horse Readers will be entranced by the surprisingly cutthroat world of student health insurance and the professional and personal life of one man who made it his business     **The Risk Taker** Stanley Cohen,2020-03-30 Set against the danger of the Vietnam War and the high stakes action found in the casinos of Macao and Las Vegas The Risk Taker is a powerful poignant and thought provoking novel In the words of the author risk taking is not a route for everyone it is only reserved for those who dare to play     **General Management Series** ,1929
