Toleration Identity And Difference:

Toleration, Identity and Difference J. Horton, S. Mendus, 1999-02-04 In this collection of essays distinguished political philosophers discuss the problems of toleration which arise in multi cultural and multi racial society They ask whether allegiance to the group should take priority over allegiance to the wider society **The Oxford Handbook of Political Theory** John S Dryzek, Bonnie Honig, Anne Phillips, 2008-06-12 Oxford Handbooks of Political Science are the essential guide to the state of political science today With engaging contributions from 51 major international scholars the Oxford Handbook of Political Theory provides the key point of reference for anyone working in political theory and beyond **Toleration, Identity and Difference** John P. Horton, Susan Mendus, 1999 [The Routledge Companion to Social and Political Philosophy](#) Gerald F. Gaus, Fred D'Agostino, 2013 This comprehensive work provides an up to date survey of social and political philosophy charting its history and key figures and movements and addressing enduring questions as well as contemporary research [Minnesota Law Review](#) ,2005 **Augustine in a Time of Crisis** Boleslaw Z. Kabala, Ashleen Menchaca-Bagnulo, Nathan Pinkoski, 2021-03-01 This volume addresses our global crisis by turning to Augustine a master at integrating disciplines philosophies and human experiences in times of upheaval It covers themes of selfhood church and state education liberalism realism and 20th century thinkers The contributors enhance our understanding of Augustine s thought by heightening awareness of his relevance to diverse political ethical and sociological questions Bringing together Augustine and Gallicanism civil religion and Martin Luther King Jr this volume expands the boundaries of Augustine scholarship through a consideration of subjects at the heart of contemporary political theory *The Islamic Quarterly* ,2010 **Tradition, Pluralism and Identity** Veena Das, Dipankar Gupta, Patricia Uberoi, 1999 The essays in this volume honour the outstanding contribution of T N Madan to the development of sociology and social anthropology in South Asia Anchoring themselves to Professor Madan s engagement with the sociology of kinship religion and politics and with the moral domain of human life the contributions address the linked themes of tradition pluralism and identity across a wide range of topics [Constitutionalism, Identity, Difference, and Legitimacy](#) Michel Rosenfeld, 1994 Interest in constitutionalism and in the relationship among constitutions national identity and ethnic religious and cultural diversity has soared since the collapse of socialist regimes in Eastern Europe and the former Soviet Union Since World War II there has also been a proliferation of new constitutions that differ in several essential respects from the American constitution These two developments raise many important questions concerning the nature and scope of constitutionalism The essays in this volume written by an international group of prominent legal scholars philosophers political scientists and social theorists investigate the theoretical implications of recent constitutional developments and bring useful new perspectives to bear on some of the longest enduring questions confronting constitutionalism and constitutional theory Sharing a common focus on the interplay between constitutional identity and individual or group diversity these essays offer challenging new insights on subjects

ranging from universal constitutional norms and whether constitutional norms can be successfully transplanted between cultures to a consideration of whether constitutionalism affords the means to reconcile a diverse society's quest for identity with its need to properly account for its differences from the relation between constitution making and revolution to that between collective interests and constitutional liberty and equality This collection's broad scope and nontechnical style will engage scholars from the fields of political theory social theory international studies and law Contributors Andrew Arato Aharon Barak Jon Elster George P Fletcher Louis Henkin Arthur J Jacobson Carlos Santiago Nino Ulrich K Preuss David A J Richards Michel Rosenfeld Dominique Rousseau Andr s Saj Frederick Schauer Bernhard Schlink M M Slaughter Cass R Sunstein Ruti G Teitel Robin West *Educational Foundations*, 1906 *The Hedgehog Review*, 2001 **Cumulated Index to the Books**, 1999 **On Coming to Law** F.
