Shadow Songs Dancing Leonard J. Griego, 2001-12 This is a book of poetry a book about one man s fantasy Poetry comes in many guises and is inspired by untold things events and people As with many people I have had many experiences and some of them I wonder where the hell they came from Those experiences have been the inspiration for much of what I have written I have traveled all over the world and have met many wondrous people and they have been part of my inspiration My love poems came in flashes some days and some days I agonized over a poem for long periods of time My relationships with women have been a disaster to say the least and I think the Creator gave me fantasy so I wouldn t despair too much Somewhere I was fortunate to glimpse to be with to touch however briefly beauty and grace intelligence and style innate kindness and humor in a woman That was my inspiration for my love poems Never mind that none of it worked out I am eternally optimistic that somewhere that lady with the Celadon eyes will be waiting
