Barry Hannah

Yonder Stands Your Orphan:

Yonder Stands Your Orphan Barry Hannah, 2007-12-01 A wildly colorful darkly comic and ultimately sinister tale of madness and murder from the award winning master of Southern fiction Library Journal Set in a lake community in the vicinity of Vicksburg Miss the story revolves around a fellow named Man Mortimer a thief pimp and murderer and those are his good qualities who physically resembles the late country singer Conway Twitty On his trail are Byron Egan a somewhat reformed biker turned preacher and prophet and Max Raymond a former doctor who plays saxophone in a bar band and has an attractive Cuban wife who sings sometimes for the band sometimes nude in her backyard Meanwhile the young town sheriff distrusted since he hails from the North manages to shock even the most degenerate denizens of the area with his affair with a luscious 72 year old widow The plot is kaleidoscopic with flashes and slashes of wonder humor and the macabre expertly mixed Reading today s fiction is too often like eating stale bread With Hannah just imagine your most mouthwatering meal take a double helping and you ve come close to the pleasure of reading this book Publishers Weekly starred review Maddeningly brilliant a stunning assemblage of characters ruffians high rollers heartbroken lasses prostitutes bikers turned preachers dead ringers drug addicts third rate porn stars lounge lizards They do not so much interact as collide like atomic particles in a cyclotron The Hartford Courant An electrifying prose style memorable characters plot lines laced with violence and absurdity and humor as black as an Ace comb an expert navigator of the back roads of the human heart The Denver Post Like moonshine whisky Hannah s fiction packs quite a wallop The Wall Street Journal *The Scourges of the South? Essays on "The Sickly South" in History, Literature, and Popular Culture* Thomas Ærvold Bjerre, Beata Zawadka, 2014-10-17 In this book eleven scholars take their stand on the controversial issue of disease as it occurs in the context of the American South Playing on the popular vision of the South as an ill region on several levels the European and American contributors interpret various aspects of the regional sickly culture as not so much southern problems but rather southern opportunities or else springboards to yet another of the South s cultural revitalizations health As Thomas Ærvold Bjerre and Beata Zawadka note in their introduction the so called Healthy South has never been an easy topic for scholars dealing with the region One reason for this is that researchers have been taught to approach so formulated a topic no further than to the point when it turns out it is a contradiction in terms and indeed there is much in southern history and the present situation that justifies such an approach This volume however comprises a collective effort of southernist historians literature experts and culture critics to transcend the contradictory concept of the Healthy South and does so by reinventing the notion of the southern disease and consequently the role of the South as a scourge in American culture in terms of this culture s bountiful gift **Perspectives on Barry Hannah** Martyn Bone, 2007 Perspectives on Barry Hannah is a collection of essays devoted to the work of the award winning fiction writer Barry Hannah The anthology features a broad range of critical approaches and covers the span of Hannah s career from Geronimo Rex 1972 to Yonder Stands Your Orphan 2001 The book

also includes a previously unpublished interview with Hannah. The ten essays cover all of Hannah's thirteen published books. The contributors give fresh perspectives on Hannah's classic works *Airships* and *Ray*, provide illuminating readings of important fiction that has received less critical attention *Nighwatchmen*, *Hey Jack*, and *Never Die*, and offer the first sustained criticism of Hannah's acclaimed later fiction *Bats Out of Hell*, *High Lonesome*, and *Yonder Stands Your Orphan*. As Martyn Bone explains in his introduction, the essays though varied in approach and style consistently hone in on the recurrent themes that characterize Hannah's career: his relationship to postmodernism, his interrogation of traditional ideas of masculinity and heroism, his complex engagement with southern history, literature, and culture, and his growing concern with spirituality and morality. The essays in *Perspectives on Barry Hannah* make connections between Hannah's work and that of several prominent modern and postmodern authors, including William Faulkner, Ernest Hemingway, James Joyce, Allen Tate, John Irving, J. M. Coetzee, and Cormac McCarthy. Contributors also consider Hannah's fiction in relation to non-literary cultural forms such as sport, film, and popular music. Ultimately, *Perspectives on Barry Hannah* affirms Hannah's status as a leading figure in contemporary American literature. Martyn Bone is assistant professor of American literature at the Institute for English, German, and Romance Languages at the University of Copenhagen. His previous publications include *The Postsouthern Sense of Place in Contemporary Fiction*. [Still in Print](#), Jan Nordby Gretlund, 2013-01-23. An insightful guidebook to some of the best examples of modern Southern fiction as selected by an international group of critics. In *Still in Print*, eighteen southern novels published since 1997 fall under the careful scrutiny of an international cast of accomplished literary critics to identify the very best of recent writings in the genre. These essays highlight the praiseworthy efforts of a pantheon of novelists, celebrating and challenging regionality, unearthing manifestations of the past in the present, and looking to the future with wit and healthy skepticism. Organized around shared themes of history, place, humor, and malaise, the novels discussed here interrogate southern culture and explore the region's promise for the future. Four novels reconsider the Civil War and its aftermath: as Charles Frazier, Kaye Gibbons, Josephine Humphreys, and Pam Durban revisit the past and add fresh insights to contemporary discussions of race and gender through their excursions into history. The novels by Steve Yarbrough, Larry Brown, Chris Offutt, Barry Hannah, and James Lee Burke demonstrate a keen sense of place rooted in a South marked by fundamentalism, poverty, violence, and rampant prejudice, but still capable of promise for some unseen future. The comic fiction of George Singleton, Clyde Edgerton, James Wilcox, Donald Harington, and Lewis Nordan shows how southern humor still encompasses customs and speech reflected in concrete places. Ron Rash, Richard Ford, and Cormac McCarthy probe the depths of human existence, often with disturbing results, as they write about protagonists cut off from their own humanity and desperate to reconnect with the human race. Diverse in content but unified in genre, these particular novels have been nominated by the contributors to *Still in Print* for long-term survival as among the best modern representations of the southern novel. Featuring M. Thomas Inge on Charles Frazier's *Cold Mountain*, Clara Juncker on

Lee Ramsey,2008-01-01 In this compelling book G Lee Ramsey Jr mines the riches of southern fiction and discovers a colorful assortment of ministers who arise out of the religious South At once mystical and mischievous these ministers haunt the margins of southern life while preaching a gospel that startles and compels But their oddness is also their appeal and part of their gift For through these colorful portraits of Christian ministry today s readers are challenged to think about what matters in ministry and to re imagine ministry in ways that bring new life to the church and community Throughout Ramsey shows how ministers such as Roger Hagan in Will Campbell s The Conventionand Hazel Motes in Flannery O Connor s Wise Bloodcan help show us the stumbling blocks to faithful ministry and steer clergy and congregations forward in today s world The Mississippi Quarterly ,2004 Some Arrivals, But Mostly Departures Paul Stephen Lim,1982 **My Father's House** Matthew Carr,1998 **Hearings Regarding H.R. 15678, H.R. 15689, H.R. 15744, H.R. 15754, and H.R. 16099, Bills to Curb Terrorist Organizations** United States.
