The Wind Singer William Nicholson,2001 In Aramanth exams are everything When Kestrel rebels her family are sentenced to the harshest punishment To save them Kestrel learns the secret of the wind singer and she sets out to discover the true source of the evil that grips Aramanth

The Windsinger Peggy Harkins,2011-04-25 James Braden was an ordinary twelve year old boy except for one thing He had a secret A big one As a young child James had slipped away from a family outing and vanished into the forest He reappeared three days later alone but unharmed and miles from where he was last seen Where had he been Who had helped him James wouldn't say He had promised to say nothing about meeting the WindSinger The WindSinger was a creature with the power to care for and heal all living things She believed herself to be the last of her kind Humans had been responsible for exterminating other members of her species so she'd been taught to fear them Yet in the three days they spent together she and James had made a connection that would cross time and space Nine years after their first encounter the WindSinger came back into James's life This time it was she who needed help Conscious of the debt he owed her James willingly became her protector But he didn't anticipate the dangers he'd face in returning to the forest with her What happened there would leave him with an even bigger secret And it would change his life forever
