Virtual Collaboration Guide:

Virtual Team Success Richard Lepsinger, Darleen DeRosa, 2010-09-09 In today's complex organizations it is not uncommon to have as many as 50 percent of employees working on virtual teams. As the virtual revolution continues to spread, how can companies ensure that virtual team collaboration is producing the desired results? Highly practical and easy to navigate, *Virtual Team Success* leverages the authors' robust global research study and hands-on experience to provide an immediately usable resource for virtual team members and team leaders. This groundbreaking book is a hands-on practical toolkit filled with down-to-earth examples and insights that can enhance the virtual team experience for everyone involved. The authors' research study is one of the most comprehensive applied studies ever conducted on virtual teams, and all of the recommendations outlined are based on these findings, as well as the authors' years of experience helping virtual teams and virtual team leaders effectively lead and collaborate from a distance. To help organizations and leaders enhance virtual team performance, the book includes *Why Virtual Teams Fail*, outlines the four pitfalls that frequently derail virtual teams; *Profile of High Performing Teams* addresses the characteristics of the most effective virtual teams and what makes them successful; *Virtual Team Launch Kit* provides practical guidelines and tools for successfully launching virtual teams; *How to RAMP Up Your Team's Effectiveness* introduces a practical research-based model of virtual team effectiveness to improve team performance; *Profile of Top Performing Virtual Team Leaders* identifies the practices of the most successful virtual team leaders; *Facilitating High Impact Virtual Meetings* includes tips and techniques to effectively lead virtual meetings. *Virtual Team Success* also includes practical resources for virtual team leaders, quick reference guides for diagnosing virtual team problems, and six lessons for virtual team success.

Virtual Team Collaboration Jasmin Mahadevan, 2024-08-26 Spurred by the COVID-19 pandemic, new forms of working together have been developed, such as global or local virtual team collaboration or extensive work from home. Today's work is increasingly team-based, digitalized, and flexible, with wide-ranging implications for the skill set required by employees, management, and organizations for how humans are going to integrate work and life and for how future society, business, and ecology will develop. In this textbook, with an excellent didactic structure, students and practitioners find a wide range of knowledge in ten essential areas of virtual team collaboration. It covers key requirements, responsibilities, and practices for setting up and maintaining high-performance virtual teams on both local and global levels. This textbook has been recommended and developed for university courses in Germany, Austria, and Switzerland.

Online Meetings that Matter Pilar Orti, As an increasing number of organisations enable their employees to work from

anywhere and as the number of distributed companies grows online meetings are part of business as usual While the trend in the office space has been to cut down on meetings to increase productivity remote teams can benefit from a healthy meeting rhythm During online meetings we can celebrate our humanity and spontaneity and we can iron out those misunderstandings that creep in when our communication is restricted to the written word ONLINE MEETINGS THAT MATTER is a guide for managers of remote teams and those introducing online collaborations practices With a focus on strengthening the relationships between team members and using technology to support your team s work this book covers a range of ways in which members of remote teams can gather in the online space as well as how individuals can prepare to make the most out of their valuable time together This is a practical book that will help managers and their teams reconsider not just how they run their meetings but their whole approach to online collaboration Drawing on the wealth of many years of experience in the remote space Pilar Orti the founder of Virtual Not Distant distills her knowledge of running online meetings and coaching managers to do the same in this actionable and straightforward guide Still wondering if this book is for you This book is for you if you are the manager or leader of a non colocated team where working schedules overlap for several hours ideally by no less than four You might be making the transition to flexible working or agile working and finding that your usual meeting schedule and formats are no longer possible because you cannot gather everyone together in the same room You might be worried also about people s work becoming misaligned losing team spirit and people feeling disconnected from the work the organisation and from one another so you ve moved some of your team meetings online You might be a new manager getting ready for your first online team meeting you might be an aspiring manager discovering what your job might entail Or maybe you are a team member who understands the potential of online meetings and wants to make sure your team makes the most out of them You might even be a meeting facilitator or a coach looking for ways to help teams and managers take ownership of their online meetings And if you are someone who organises meetings for online communities you will find aspects of this book relevant too Finally this book is for you if your team both needs and wants to gather together online Some teams are happy to communicate on a one to one basis or through text but if you think gathering together online as a team will help you to advance the work and create collaborative relationships this book is for you **IEEE Virtual Reality 2000** Haruo
