SPARK ACTION - How To Lead Change

The Future of Work: Leaders Succeed in Disruption

Do you want to become a leader in the future of work? The future of work is rapidly changing, and leaders who are able to navigate this change will be the ones who succeed. In this guide, we explore the key skills and habits that will help you lead your team through disruption and emerge as a successful leader in the future of work.

1. Embrace Change
The future of work is full of uncertainty and change. Leaders who are able to embrace change and see it as an opportunity for growth and innovation will be the ones who succeed.

2. Communicate Clearly
Clear communication is essential for leading your team through change. Leaders should communicate the vision, the challenges, and the opportunities of the future of work to their team.

3. Build Trust
Trust is the foundation of any successful team. Leaders should build trust with their team by being transparent, honest, and consistent in their actions.

4. Empower Your Team
Empowering your team is key to leading them through change. Leaders should give their team the autonomy and resources they need to succeed.

5. Stay Adaptable
The future of work is constantly evolving. Leaders should stay adaptable and be willing to change their plans as needed.

6. Foster Innovation
Innovation is the key to staying ahead in the future of work. Leaders should encourage their team to think creatively and come up with new ideas.

7. Celebrate Success
Celebrating success is important for motivating your team and building a positive culture. Leaders should recognize and reward their team's achievements.

The Future of Training in Psychotherapy and Counselling John Rowan,2014-02-25 The Future of Training in Psychotherapy and Counselling presents a revealing and stimulating account of the current state of training that demonstrates how training will have to adapt if it is to successfully meet the needs and challenges of the future In an attempt to look afresh at the whole question of training John Rowan proposes that there are three ways of doing therapy and any examination of training has to consider each of these the instrumental where the main emphasis is on the treating the client or patient the authentic way where the main emphasis is on meeting the client or patient the transpersonal way where main emphasis is on linking with the client in a more personal way Each approach makes different assumptions about the self

about the relationship and about the level of consciousness involved in doing therapy By challenging the basic precepts of traditional training John Rowan encourages the reader to reconsider subjects including the difference between counselling and psychotherapy culture and ethics the origins of disturbance in clients and child development The Future of Training in Psychotherapy and Counselling provides a much needed new perspective that will compel all psychotherapists and counsellors to take a closer look at training in the field
