Neighbour, 2009-06-08 Tired of reading books by pastors of large churches who could put a stick in the mud and it would grow a fruit bearing tree in a week Exhausted with doing ministry the same way expecting different results Exasperated by the lack of ownership among the members of your existing groups Then this book is for you Pulling no punches Neighbour diagnoses the problems surrounding small group and cell group ministry in America today offering practical suggestions that work Leading Small Groups with Purpose Steve Gladen, 2012-02-01 For the new small group leader the seasoned leader who feels their small group lacks purpose or the leader who is itching to move their small group to the next level *Leading Small Groups with Purpose* is the road map to follow Steve Gladen author of *Small Groups with Purpose* and pastor of small groups at Saddleback Church for more than a decade takes small group leaders step by step toward a healthy dynamic group with focus and purpose Every chapter includes ideas that small group leaders can implement immediately as well as ways to shape their small groups over time Gladen helps leaders define success clearly develop a personal leadership plan invite members into the group and shepherd members through fellowship discipleship

Gorman,2002-06-01 Over the past thirty years there has been a boom in small groups both in society at large and within the church From Bible studies to MOPS to Alcoholics Anonymous it is estimated that four out of ten Americans belong to a small group that meets regularly for the care and support of its members But are these groups creating true biblical community or do they settle for self focus and personal gain Julie Gorman has studied small groups for decades and presents her analysis insights and suggestions in *Community That Is Christian* an essential resource for building community in church based small groups This comprehensive book serves both as a text for those who equip leaders or lead small groups and as an interactive manual for small group members helping them transform their relationships into Christ centered community The book begins with biblical support for coming together contrasting it with our often individualistic mind set that undermines community Gorman then sets forth the goals of community and describes the process of transformation She draws from extensive research to address the why and the how of small group ministry giving special attention to gender and cultural distinctions *Community That Is Christian* provides readers with charts discussion questions and inventories to further help them establish community within their small groups
