**Street Wars** Walter Bailey,2014-05-19 I was born and raised in the City of Philadelphia PA the City known famously throughout the world as the City of Brotherly Love But for me growing up as a young boy and countless others it was a City more infamously known as the City of Brotherly Hate It was during the late 60s a time that will live with me for the rest of my life A time of great music the Temptations the Supremes Smokey Robinson and the Miracles just to name a few A time world history was being made by men like Buzz Aldrin of Apollo 11 landing upon the Moon A time the world would suffer the tragic loss of three great men the assassination of Dr Martin Luther King President John F Kennedy and his brother Robert F Kennedy And also a time when street gangs of Philadelphia plagued the city with death and violence I was a part of that gang culture I was a member of one of the largest gangs in West Philadelphia the 56th Cedar Avenue gang A violent gang of sociopathic drug addicts alcoholics and killers They were my family my friends my peers my gang members and some my heros I make no excuses for my being a part of this violent gang culture There were no Doctors lawyers or wealthy business men who lived in my neighborhood The people who had the wealth the money the finer things in life were the Pimps the Hustlers the Drug dealers They were the people I admired the most and I wanted to be just like them And so I would spend the most part of my youth in a world of street hustling drug dealing and most of all in a gang of violence and death This is not just my story it is the story of countless others who are no longer here to tell it I by the grace of God did survive and I am compelled to tell this true story Not just for myself but for the countless others who did not survive the violence of street gangs And for anyone else my story may save from a world of violence and death

**Children** Rene Denfeld, 2007-01-30 James Daniel Nelson first hit the streets as a teenager in 1992 He joined a clutch of runaways and misfits who camped out together in a squat under a Portland bridge Within a few months the group they called themselves a family was arrested for a string of violent murders While Nelson sat in prison the society he had helped form grew into a national phenomenon Street families spread to every city from New York to San Francisco and to many small towns in between bringing violence with them In 2003 almost eleven years after his original murder Nelson now called Thantos got out of prison returned to Portland created a new street family and killed once more Twelve family members were arrested along with him Rene Denfeld spent over a decade following the evolution of street family culture She discovered that contrary to popular belief the majority of these teenagers hail from loving middle class homes Yet they have left those homes to form insular communities with cultish hierarchies codes of behavior languages quasireligions and harsh rules She reveals the extremes to which desperate teenagers will go in their search for a sense of community and builds a persuasive and troubling case that street families have grown among us into a dark reversal of the American ideal Les Misérables
