Strike Four:

Strike Four! Harriet Ziefert,1995 Debbie seems to be in everyone s way as she searches for just the right place to play ball Strike Four Richard Hershberger,2019-03-08 Baseball began as a schoolyard game brought to America by the colonists It evolved rapidly over the second half of the nineteenth century with innovations and rule changes continuing throughout the twentieth century and into the modern era But why and how did these changes take place In **Strike Four The Evolution of Baseball** Richard Hershberger examines the national pastime s development from the reasoning behind new rules and innovations to the consequences of these changes both intended and unintended that often led to a new round of modifications Topics examined include the dropped third strike foul territory nine innings tagging up balls and strikes tie games equipment the infield fly rule and many more Ultimately this book provides the reader with a narrative history of how baseball evolved from an informal folk game to the sport played in ballparks around the world today As such **Strike Four** is a wonderful reference for sports fans and historians of all generations

Strike Four! Harriet Ziefert,1995-01-01 Debbie seems to be in everyone s way as she searches for just the right place to play ball **Astros and Asterisks** Jonathan Silverman,2023-07-18 An in depth and multiperspectival look at the Astros sign stealing scandal and its roots in the culture of baseball fandom In 2017 the Houston Astros won their first World Series title a particularly uplifting victory for the city following Hurricane Harvey But two years later the feel good energy was gone after The Athletic revealed that the Astros had stolen signs from opposing catchers during their championship season perhaps even during the playoffs and World Series Their methods were at once high tech and crude staff took video of opponents pitching signals and transmitted the footage in real time to the Astros dugout where players banged on trash cans to signal to their teammates at bat which pitches were coming their way Wry observers labeled them the Asterisks pointing to the title that no longer seemed so earned **Astros and Asterisks** examines the scandal from historical journalistic legal ethical and cultural perspectives Authors delve into the Astros winning above all attitude cultivated by a former McKinsey consultant the significance of hiring a pitcher recently suspended for domestic abuse the career ending effects of the Astros transgression on opposing players and the ethically fraught choices necessary to participate in sign stealing Ultimately it links the Astros choices to the sporting world s obsession with analytics What emerges is a sobering tale about the impact of new technology on a game whose romanticized image feels increasingly incongruous with its reality in the era of big data and video
