The Easter Jesus and the Good Friday Church Gregory S. Athnos,2023-05-26 Is the turning point of human history the Jesus of the cross or the Christ of the resurrection We live on this side of the resurrection yet we act as if we are on the far side of the crucifixion Staring into the cross from the Good Friday perspective makes it difficult to see beyond it It consumes us It blocks our vision Even though we understand in our minds there was a Sunday we continue to stand in our hearts on Friday Are we missing life in the brilliant light of the resurrection Try to imagine the profound transformation from the disciples broken spirit on Friday to their heart stopping joy on Sunday evening Transformation was truly so wrenching there could never be a return to their pre resurrection world They began to see the cross through the lens of the resurrection every time The risen Lord became their launching pad for faith and from that glorious platform they reached back and embraced his crucifixion It should be the same for us **The Week That Changed the World** Timothy Dean Roth,2009-09-01 Beginning with Palm Sunday the gospels record every day of Jesus life up to the time of his death and resurrection These

eight days are unparalleled in the canon of Scripture for their narrative power their detail and their focus A unique synthesis of the four gospel accounts of the passion and resurrection of Christ is provided in this seamless and elegant narrative account of the Easter events including every detail mentioned in all four Gospels but without any unnecessary repetition or distracting references A chapter is assigned to each of these days to facilitate devotional reading and study during the days leading up to Easter Two chapters are added on either side of the eight days to round out the story A study guide is also included The book invites reader to experience the events of Christ s passion as they happened thus fully entering into the drama of the Easter story More than anything this book is an invitation to join Jesus and the disciples in walking the road that leads to Jerusalem and to experience the events that happened there in an intimate and life changing way
