The Efficient Organization:

The Efficient Organization Selwyn William Becker, Duncan Neuhauser, 1975 Monograph on the general theory of optimal organisational structure for management efficiency includes a literature survey and case studies and covers bureaucracys and business organization public enterprise and voluntary organizations Bibliography pp 215 to 224

Efficient Organization Mikko Ketokivi, Joseph T. Mahoney, 2023-01-03 In Efficient Organization Mikko Ketokivi and Joseph T Mahoney take a practical and decision oriented approach to organization design and governance They first identify and discuss the main organization design and governance problems that arise in creating an organization in a growing one and in a mature business Then they examine contracting and relationships within organizations and with other entities in addition to special topics such as non profits broader stakeholder issues and technology development Highlighting the importance of securing cooperation across individuals and organizations for mutual value creation this book provides tools that decision makers can use in their own organizations *Design of Adaptive Organizations* Nobuo Takahashi, 2012-12-06 Organization design has been discussed by many authors in management and organization theory They have obtained intuitive and prescriptive propositions appealing that the best organization design is contingent on the environmental conditions But their studies called contingency theory are mostly based on empirical research Most of the propositions are drawn as only inferences from the results of them On the other hand decision theoretic models of organizations in the stochastic environment have been studied by some economists and management scientists independently of contingency theory In this book important aspects of organization design problems are formulated as statistical decision problems in the framework of management and organization theory Part One of this book analyzes a short run adaptive problems of the organization design Part One contains an expanded exposition of the ideas and results published in the professional journals and I would like to thank the anonymous reviewers of the following journals Behaviormetrika Human Relations Behavioral Science Part Two of this book considers a long run adaptive process in the organization and has not previously been published in its IV present form although a version of this part is to appear in Journal of the Department of Liberal Arts March 1987 The University of Tokyo The results of Part One and Part Two are supported by the empirical research on Japanese firms in Part Three This research was financially supported by Nippon Telegraph and Telephone Public Corporation NTT I acknowledge this gratefully *Self-governing Socialism: A Reader: v. 2* Branko Horvat, 2016-07-01 An anthology of contemporary Korean fiction including *The Wife and Children* *The Post Horse* *Curse Mountains* *Kapitan Ri* *The Winter* and *A Dream of Good Fortune* *Extension Circulars* North Carolina.
