The Little Spruce Tree Elizebeth JM Baker,2018-08-29 Dapper is a little spruce tree protected by his parents deep in the forest He witnesses his cousin pines being selected as Christmas Trees and is driven to be one too Nature surrounds him and he appreciates the beauty of his surroundings But Dapper doubts himself Not getting selected for this years Christmas devastates him He will be too old for next year What is his purpose he wonders His family is supportive as they teach him about other uses for spruce trees but Dapper is not satisfied Yet Dappers journey has not begun travel with him while it occurs Once it does he goes through a magical process bringing him to a place he could never have dreamed of Being more important than a Christmas Tree is in his future *Little Bruce the Spruce Tree* Cherie Smith,2022-08-01 This story is about a family at Christmas time who traveled to a live tree farm to pick out their special tree When they arrived they did not expect to see all the wonderful things they could do there They were thrilled to explore the farm but the children were excited to spend a little time with Santa Mrs Claus and playing with their reindeer Eventually mom called for the children so they could pick out their tree Mom and Dad wanted a nice big full tree but the youngest son had other ideas Come along and see what happens next

**The Land of the Seal People** Duncan Williamson,2017-07-05 No stories were more potent more engaging more subtle or profound than these half animal half human tales of the sea Time and time again listeners enthralled by Duncan Williamson s lore would ask him for the silkie tale Duncan grew up with the seals slept nights stranded by the tide in their colonies heard countless stories from crofters fishermen and travellers alike about the strange people who were related to the seal the silkie stories magically link the two worlds animal and human sea and land This new and expanded edition contains twenty four stories including thirteen that are previously unpublished with a new introduction by Linda Williamson which examines the background of the West Highland belief in the seal people *The Land of the Seal People* is a work of a master narrator Scotland s greatest contemporary storyteller The book is adult fiction of high intellectual and literary standards and as Scottish folk tales suits children and adults alike From the oral tradition of the West Coast these stories are a vital part of Scotland s heritage *Little Folks' Christmas Stories and Plays* Various,2019-12-18 *Little Folks Christmas Stories and Plays* is a delightful anthology that encapsulates the spirit of Christmas through a collection of charming tales and engaging scripts tailored for young audiences Written in a melodic style that combines whimsy with warmth this volume brings to life various traditions and values associated with the holiday season Each story is imbued with vibrant illustrations and accessible language that captivates the imagination encouraging moral reflections and fostering a sense of community and joy among readers The compilation is attributed to various authors reflecting a rich tapestry of voices and perspectives that contribute to the literary heritage surrounding Christmas These contributors likely drew inspiration from their own childhood experiences and cultural traditions infusing their work with authenticity and a sense of nostalgia By embracing the communal nature of storytelling these authors help to cultivate a renewed appreciation for the

bonds that unite families and friends during the festive season I highly recommend Little Folks Christmas Stories and Plays to families and educators alike This enchanting collection not only entertains but also serves as a perfect resource for teaching young children about the importance of kindness sharing and celebration during the holiday season Its engaging content makes it ideal for reading aloud thus enhancing family traditions and creating cherished memories

**Tales And Bedtime Stories** Brigitta Gisella Geltrich-Ludgate,2013-01-18 THE SELECTION OF Tales and Bedtime Stories in this book was written over the last forty years with many of them read to the author s son Douglas George Spencer when a child At times the author tape recorded a story to be listened to by Spencer at bedtime The stories were inspired by an incident or by a city or by a country The longer stories such as Willymouse I Caw Caw or Freddy Singalong were read over several nights Spencer was asked what would happen next to Willymouse I Caw Caw or Freddy Singalong or what would they do Spencer s thoughts were often incorporated into the story before the next part was written and read to him Creating tales or bedtime stories continued long after Spencer no longer needed them

**Regulation and Compliance in the Atlantic Fisheries** Stig S. Gezelius,2012-12-06 This is a book about fishermen s reasons for obeying fisheries law The fish harvesting industry has become subject to state interference to an increasing extent over the past twenty years As natural resources become scarce and subsequent fisheries regulations abound the question of law abidingness is brought to the public agenda However there is still little empirical data as regards the dynamics of compliance in this field and this book aims to meet a demand for in depth knowledge The cases studied can be regarded as instances of economies dependent on the harvesting of natural resources for both household and the market and the study aims to contribute to the building of more adequate theory on the dynamics of compliance in such economies However focusing on a specific type of setting seldom constitutes a safe escape route for getting away from more pervasive sociological questions and it certainly does not in this case As any attempt to explain social phenomena this study is faced with the fundamental sociological question of how the acts of individuals can best be understood The question concerns the interface between the individual and the collectivity between collective morality and self interest It thus deals with classical sociological issues such as the nature and regulatory capacity of group norms and sanctions and the forms and roles of rationality and strategic action
