The Metaphysical Absolute

W.L. Craig

The Metaphysical Absolute:

The Metaphysical Absolute William Kingsland,2005-12-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work Ascent to the Absolute J. N. Findlay,2019-03-06 Originally published in 1970 This book is a collection of lectures and papers given by Professor Findlay in the 1960s The theme is an argument for a metaphysical Absolute in the sense of post Hegelian Idealism Findlay s word for the Absolute process is Enterprise which must be necessary in thought and reality This ontological argument goes further that previous cosmological arguments and addresses both traditions from ancient philosophy and the modern Anglo American school of philosophy The book discusses the case for a Perfect Being a Necessary Being and in a change to Findlay s previous published thought presents a case for mysticism **Ascent to the Absolute** John Niemeyer Findlay,2020-10-10 Originally published in 1970 This book is a collection of lectures and papers given by Professor Findlay in the 1960s The theme is an argument for a metaphysical Absolute in the sense of post Hegelian Idealism Findlay s word for the Absolute process is Enterprise which must be necessary in thought and reality This ontological argument goes further that previous cosmological arguments and addresses both traditions from ancient philosophy and the modern Anglo American school of philosophy The book discusses the case for a Perfect Being a Necessary Being and in a change to Findlay s previous published thought presents a case for mysticism **The Metaphysics of German Idealism** Martin Heidegger,2021-07-16 This volume comprises the lecture course that Heidegger gave in 1941 on the metaphysics of German Idealism The first part of the lecture course contains a preliminary consideration of the distinction between ground and existence The elucidation of the conceptual history includes a striking confrontation with Kierkegaard s and Jaspers concepts of existence as well as an elucidation of the concept of existence in Being and Time which Heidegger distinguishes from the former concepts Heidegger s self interpretation is not an end in itself however but rather a way of pointing to Schelling s distinction between ground and existence whose root and inner necessity and whose various versions Heidegger discusses subsequently The second part of the lecture course is focused on Schelling s freedom treatise which Heidegger regards as the pinnacle of the metaphysics of German Idealism Heidegger s consideration of Schelling s distinction between ground and existence finds its guiding thread in the introduction of the realms of being eternal or finite each being is a joining of the ground of existence and existence itself In a subsequent overview Heidegger discusses the relation of the distinction between ground and existence to the essence of human freedom and to the essence of the human On the basis of this discussion it becomes possible to grasp the connection between freedom and evil in Schelling s system This important work by Heidegger published here in English for the first time will be of great interest to students and scholars of philosophy and to anyone

interested in Heidegger's work **The Metaphysical Foundations of Modern Physical Science** Edwin Arthur Burt, 1925 *On the Absolute. [By Lord Arthur Russell. A paper read before the Metaphysical Society.]*, 1871 The Principles of Absolutism in the Metaphysics of Bernard Bosanquet Marion Delia Crane, 1916 *The Principles of Absolutism in the Metaphysics of Bernard Bosanquet ...* Marion Delia Crane Carroll, 1916 *The Philosophy of Integralism, Or, The Metaphysical Synthesis Inherent in the Teaching of Sri Aurobindo* Haridas Chaudhuri, 1954 **Papers Read at the Meetings of the Metaphysical Society**, 1869 **The Metaphysics of Becoming** Thomas Padiyath, 2014-08-22 This study attempts to elucidate a possible meeting point of the traditions of Eastern and Western metaphysical thinking In discussing Whitehead's and Aurobindo's views on being and becoming it seeks the possibility of a better engagement between the East and the West in the light of the philosophical insights It is an initiation into the *Sitz im Leben* of Whitehead's philosophy and his general thought pattern It carries a perceptive analysis to show the clear primacy of Becoming or Process in Whitehead that extends even to the Divine It also highlights Aurobindo as a unique Indian Philosopher who articulated Indian thought in Western categories He was able to integrate the evolutionary theory of the West with the Indian understanding of becoming The relationship between God and Creativity and Sachchidananda and the Supermind is studied within the context of Enlightenment and Modernity and the way of doing philosophy in the West and in the East The Metaphysics of Evolution Thomas Whittaker, 1928 **The Ethical Aspect of Lotze's Metaphysics** Vida Frank Moore, 1901 **Hermathena**, 1908 *The Metaphysical Magazine*, 1898 *Time and the Metaphysics of Relativity* W.L. Craig, 2001 The larger project of which this volume forms part is an attempt to craft a coherent doctrine of divine eternity and God's relationship to time Central to this project is the integration of the concerns of theology with the concept of time in relativity theory This volume provides an accessible and philosophically informed examination of the concept of time in relativity the ultimate aim being the achievement of a tenable theological synthesis **Friedrich Hebbel's Concept of the State** Avrom Landy, 1925 **The Metaphysical Worth of the Atomic Theory** Francis Kennedy, 1898 *The Spiritual Components in the Lives of Men and Women* Christopher Alan Anderson, 2012-09-17 Oftentimes when people hear about the idea of man and woman balance they think of either the physical sexual domain or the economic political domain But what about the spiritual What are the spiritual natures of men and women and are they the same for the sexes These questions and answers have great ramifications for our lives Author Bio Christopher Alan Anderson 1950 received the basis of his education from the University of Science and Philosophy Swannanoa Waynesboro Virginia He resides in the transcendental romantic tradition that vein of spiritual creativity of the philosopher and poet His quest has been to define and express an eternal romantic reality from which a man and a woman could together stand in their difference and create a living universe of procreative love Mr Anderson began these writings in 1971 The first writings were published in 1985 On a personal note when Mr Anderson was asked to describe the writings and what he felt their message was he responded Spiritual procreation Mankind has yet to

distinguish the two sexes on the spiritual level In this failure lies the root of our problems and why we cannot yet touch the eternal together The message of man and woman balance brings each of us together in love with our eternal other half right now Keywords Man and Woman Balance Relationships Procreation Spirituality Love Metaphysics Eternal Creation Sexuality Soul Absolute Truth Rod Cameron,2016-10-09 The metaphysics contained within the cover of Absolute Truth has a logic Metaphysical logic is logos logic The logic that squares with its etymology explicates absolute Truth The successful school is absolute Idealism Absolute Idealism has an exact ontology and a prodigious teleology This means being is precisely defined and determinism is authentic Definitive Idealism as ontology teleology redefines reality The associated transcendence of dualistic consciousness means the end of philosophy

As recognized, adventure as skillfully as experience more or less lesson, amusement, as without difficulty as deal can be gotten by just checking out a ebook **The Metaphysical Absolute** next it is not directly done, you could take even more all but this life, approaching the world.

We have the funds for you this proper as skillfully as simple pretension to get those all. We offer The Metaphysical Absolute and numerous book collections from fictions to scientific research in any way. in the course of them is this The Metaphysical Absolute that can be your partner.
