Profound Arthur Freeman,2013-06-05 As you radiate peace and goodwill you open up the channels for Gods love to come in Every day we have to blot out noises and chatter and listen for the voice of God and respond accordingly The acceptable time is not the length of time It is the due time God has allotted for his children The choices we make are the ones we have to live with Choose well With a strong arm God will bring us to a place of surrender The Holy Spirit desires that we walk in integrity and humility in order to have an encounter with God He must be properly introduced Many know of him yet they do not know him as the giver of life The enemy has cast a spirit of seduction and self destruction on this generation and this people a generation that has been written off as hopeless and lost plagued with fear addiction and abuse What we fail to see is the invisible cry from within Somebody help me with this Is there hope for me Sometimes words are difficult to express And sometimes there is no one to listen Questions Will God accept me in my sin Is there a place for me in the church What if Im a homosexual or lesbian and struggling searching for a way out Can you look past my dress code and see whats in my heart or at least ask This is not working for me I really need some help over here The Church and the Modern Era (1846-2005) David M. Wagner,2020-08-21 Fatima war Vatican II St John Paul II and the clerical sex abuse crisis These are just a few of the people and events that helped define the Catholic Church in the modern era In The Church and the Modern Era 1846 2005 author David Wagner explores how the Church maintained its core beliefs while meeting the challenges of the industrial age world wars the sexual revolution and technological advancement in an increasingly secular world The modern era of the Catholic Church began with the election of Blessed Pius IX in 1846 and ends with the death of St John Paul II in 2005 the last pope to have served as a council father at Vatican II With monarchies falling nation states rising and industrialization and mass migration underway the world changed more during this period than any other Wagner contends While the Church may feel more user friendly and less formal than ever before what we believe has been handed down from the beginning Wagner reintroduces you to some of the era s most powerful examples of virtue and faith such as St John Henry Newman St Therese of Lisieux St Josephine Bakhita St Faustina and St Maximilian Kolbe He will also dispel some of the long held misconceptions about the Church that span the 160 year period In this book you will learn The Catholic Church is the world s most powerful advocate for workers the poor and human rights The Church s social teaching does not endorse any economic or political systems The Second Vatican Council did not change Catholic teaching on faith or morals The Church has been an advocate for raising the status of women championing women s rights to education to work and to equal
