Dario Martinelli

What We Do:

Essays on Freedom of Action (Routledge Revivals) Ted Honderich, 2015-06-03 Essays on Freedom of Action first published in 1973 brings together original papers by contemporary British and American philosophers on questions which have long concerned philosophers and others the question of whether persons are wholly a part of the natural world and their actions the necessary effects of causal processes and the question of whether our actions are free and such that we can be held responsible for them even if they are the necessary effects of casual processes This volume will be of interest not only to those who are primarily concerned with philosophy but also to students in those many other disciplines in which freedom and determinism arise as problems

What You Can When You Can Carla Birnberg, Roni Noone, 2015-04-28 We all know we should eat better exercise more get better quality rest and so on Tell us something we don't know right After all every statistic we have about Americans and our health proves that no matter how good our intentions are we are failing to change the habits that undermine our well being But how do we achieve our healthy living goals when they're so daunting Who has the time the willpower the resources to do all that nutritious eating muscle building restful sleeping and work life balancing Carla Birnberg and Roni Noone have the answer to that the answer is you You have the power to make healthier living easy and exciting just by adopting one simple mantra What you can when you can It's all you need What You Can When You Can wycwyc is a book a movement a mindset and a lifestyle one that harnesses the power of small steps to let you achieve your health and fitness goals on YOUR terms The wycwyc pronounced wickwick philosophy applies to anything and everything that contributes to a healthy happy life nutrition exercise physical and mental rejuvenation and so much more

What You See Is What You Hear Dario Martinelli, 2020-01-01 What You See Is What You Hear develops a unique model of analysis that helps students and advanced scholars alike to look at audiovisual texts from a fresh perspective Adopting an engaging writing style the author draws an accessible picture of the field offering several analytical tools historical background and numerous case studies Divided into five main sections the monograph covers problems of definitions history and most of all analysis The first part raises the main problems related to audiovisuality including taxonomical and historical questions The second part provides the bases for the understanding of audiovisual creative communication as a whole introducing a novel theoretical model for its analysis The next three parts focus elaborate on the model in all its constituents and with plenty of case studies taken from the field of cinema TV music videos advertising and other forms of audiovisuality Methodologically the book is informed by different paradigms of film and media studies multimodality studies structuralism narratology auteur theory in the broad sense communication studies semiotics and the so called Humanities What You See Is What You Hear enables readers to better understand how to analyze the structure and content of diverse audiovisual texts to discuss their different idioms and to approach them with curiosity and critical spirit
