

A stack of seven stones is balanced on a dark, pebbly beach. The stones are arranged in a vertical column, with the top stone being a smooth, reddish-orange color, and the others being dark grey or black. The background is a soft, out-of-focus sunset over the ocean, with warm orange and yellow light on the horizon and a blueish-grey sky above. The overall mood is peaceful and contemplative.

Zen Contemplations:

Zen Contemplation for Christians Elaine MacInnes,2003-06-23 This is the fascinating story of how and why a Catholic nun became an accomplished Zen Master *Zen Contemplations* Kirkup, J.,1978 **Christian Contemplation** Joseph H. Nguyen SJ,2020-12-02 Spiritual practitioners and experts across religious traditions are convinced that contemplation cultivates an awareness of the deeper desires of the human heart But many will ask does contemplation still exist If one has been led to believe that there indeed exists the art of contemplation one will still perhaps wonder what it is and whether or not it is still relevant and applicable today For many the term contemplation itself perhaps connotes a sense of an exotic practice from a distant past unrelated and impractical to the contemporary life In this book the author explores the nature and functions of Christian contemplation and offers the reader a wide variety of contemplative prayer methods that can help cultivate an awareness of the spiritual dimension of the human life The author argues that Christian contemplation is the work of the Holy Spirit While drawing upon a variety of Christian traditions the author bases his discussion on the Jesuit tradition of prayer discernment and spiritual growth as revealed in the *Spiritual Exercises of St Ignatius* [A Question of Being](#) Karin Holsinger Sherman,2007-07-20 James Douglass's writings have been recognized as among the most challenging and inspiring explorations of nonviolence and Christian discipleship in the last century Throughout his career Douglass has argued forcefully for the integration of contemplation and resistance theology and cultural critique spirituality and prophetic involvement His work has inspired many of the key figures in recent debates regarding just war Christian nonviolence and radical discipleship and continues to be highly relevant in our contemporary situation In *A Question of Being* the first book length treatment published on Douglass's writings Karin Holsinger Sherman provides an introduction to and engagement with this important body of work through an exploration into its contextual history influences and main themes Moreover the author argues that these themes work together to create an ontology of nonviolence an ontology that integrates the forces of resistance and contemplation so important to Douglass The book begins by examining Douglass's biography and three broad historical trajectories that give context to his thought the fusion of Christianity and American nationalism in the early Cold War period the emergence of cultural critique in the late fifties and early sixties and the Catholic pacifist tradition and the post 1972 period of disillusionment Holsinger Sherman then considers the lives and thought of Dorothy Day Mahatma Gandhi and Thomas Merton as well as their unique intellectual and exemplary influence on Douglass's ideas After explicating the themes of the cross and the kingdom as they developed chronologically in Douglass's writing career this book draws together Douglass's thought to reveal an ontology of nonviolence In her conclusion Holsinger Sherman argues that this ontology of nonviolence is the key to understanding Douglass's integral theology of contemplation and resistance **The Dharma of Star Wars** Matthew Bortolin,2012-06-18 Is Yoda a Zen Master What might Jedi training be like Is the story of Luke Skywalker a spiritual epic The answers as well as excitement adventure and a lot of fun are here *The Dharma of Star Wars*

uses George Lucas beloved modern saga and the universal discoveries of the Buddha to illuminate each other in playful and unexpectedly rewarding ways Bortolin even reveals satisfying depths to the second trilogy of movies the ones that met with what can understatedly be called a less than warm critical reception The Dharma of Star Wars gives you an inspiring and totally new take on this timeless saga from A New Hope all the way up to 2005 s Revenge of the Sith Great fun for any Star Wars fan Imagine The Power of Myth with lightsabers Includes instruction in The Jedi Art of Mindfulness and Concentration and The Padawan Handbook Zen Contemplations for the Would Be Jedi Fun for all ages The Dharma of Star Wars is also a perfect way for Buddhist parents to bridge the generation gap
